Gerald Ray 'Jerry' Utter

Hillsboro

Oct. 9, 1942 — Nov. 15, 2021

Gerald Ray "Jerry" Utter was born on Oct. 9, 1942, in Astoria, to Ray and Norma (Whitten) Utter.

Jerry died in his home, surrounded by family, on Nov. 15, 2021, after a brief battle with cancer.

Survivors include his wife, JoAnn Ahrendt Utter; daughter, Jennifer; son, John; and sister, Janet Stocker, and her children, Diane (Dean) Carter and Dan (Vi) Stocker.

Jerry and JoAnn married on Feb. 8, 1975, at St. Matthew Catholic Church in Hillsboro, and remained together through his death.

Jerry graduated from Astoria High School in 1960, and enlisted in the U.S. Coast Guard in 1963. He served six years on the Coast Guard cutter Yocona (WMEC-168) in Astoria and Adak, Alaska, and on the Coast Guard cutter Winona (WHEC-65) based in Port Angeles, Washington. He completed his service as an electrician's mate petty officer 1st class EM3 (E-4).

After his military service, Jerry worked at the paper manufacturing mill in Wauna. There he mixed chemicals needed in the paper-making process.

Next was the U.S. Army Corps of Engineers aboard the USS Biddle as an electrician in the engine room. Then he earned his maintenance electrician journeyman card while working at FMC Corp. in Portland, helping

build railroad cars by keeping the plant running during the night.

Next was helping Gray & Co. in Forest Grove, magically turning Oregon cherries into maraschino cherries. Finally, back to the old FMC Corp. railroad plant, now Gunderson Inc., in Portland, retiring in 2008.

He was a member of the International Brotherhood of Electrical Workers Local 48 union.

Throughout his life Jerry enjoyed bowling, repairing electronics, train travel, card games, crosswords, sports and his wife's baking.

Jerry was a Benevolent and Protective Order of Elks member for more than 52 years at Lodge No. 1862 in Hillsboro. He volunteered and made extensive charitable donations, habitually donated blood, and could be found serving meals or packing care boxes on most holiday mornings.

Jerry was preceded in death by his son, Christopher James Utter, and his parents, Ray and Norma Utter, of Astoria.

He will be laid to rest at Willamette National Cemetery in Portland.

In lieu of flowers, please donate blood or send monetary donations to the Elks National Foundation, Oregon Food Bank, American Red Cross or the charity of your choice.

Douglas Doyle Davenport

Astoria

July 21, 1942 — Oct. 31, 2021

Douglas Doyle Davenport, 79, passed away Oct. 31, 2021, in Astoria.

Doug was born July 21, 1942, in San Luis Obispo, California. He lived in Morro Bay, California, where he went to Morro Bay High School.

After high school he worked in many fields of work, but was most proud of his fishing career. Fishing gave him a sense of adventure and, as he would say, "some crazy times."

Fishing gave him pleasure, and the freedom to work on the oceans of California and Alaska, and eventually bringing him to Oregon, where he met and married his wife of 37 years, Delores.

Doug and Delores were married July 13, 1984, on the Lightship Columbia in Astoria. Together, they enjoyed the little things in life, walks on the beach, working in the yard, hunting for rocks, going to garage sales, playing cards and just enjoying the time they spent together.

Doug was a kind and caring soul, always smiling, taking the time to stop and talk to everyone he crossed paths with. He always had a story to share.

He was a collector of rocks, old bottles

and any other found treasures he thought were interesting to him, or something he could share with others.

Doug was the son of the late Eldon and Pauline Davenport. His sister was Dennie, who also preceded him in death.

He leaves behind his wife, Delores Davenport; his children and stepchildren, daughters, Debra Carter (Steve), Pamela Pulido (Gabriel), Monica Manning (Donald), Denise Leach (Adam) and Tara Mestrich (Bryan), and his sons, Richard Vetricke (Lora) and Dean Vetricke (Evie). He also had many grandchildren and great-grandchildren he cherished, as well.

Doug had many friends whom he also considered as family, and treated them as just that. Anyone who knew him would say the same.

Everyone enjoyed his company. If you needed anything, he'd be right there to help do whatever he could. He will never be forgotten, and will be missed by so many.

Due to the pandemic, there will not be a memorial service at this time. We plan to have a celebration of life this summer, where we can gather safely outside by a lake, where he loved to fish and be outdoors.

\*\* In addition to a filtration system, external vacuum systems, air purifiers, and foggers, we have added negative pressure to all operatories. Thank you Diamond Heating and JJ Electric Service LLC for completing our negative pressure system.

Excellence in challenging conditions. ★★★★★ Diane G.

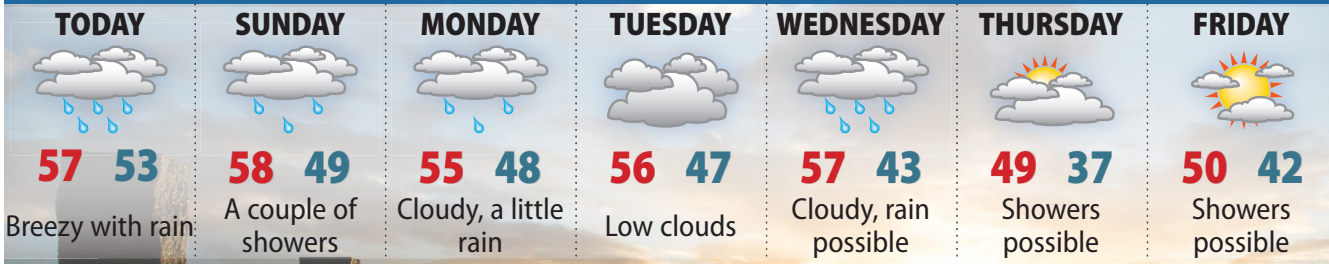

I saw the highest standard of health safety practices in effect during my hygienist appointment today—much higher precautions than I'd seen in a local hospital when having tests last month. The new sanitation equipment and attention to patient safety at Klemp Family Dentistry is in keeping with a dental practice I consider cutting edge with respect to all my dental needs. It's wonderful having a world class dental practice here at the coast, one where I can have procedures performed for which I used to have to travel to a specialist in Portland. I have been a patient of several local dentists in the past, but none had the skill and, more importantly, the attention to patient comfort that Dr Klemp provides.
