

ARIES (March 21-April 19). To maneuver well, make sure you're in the same reality as

what you're trying to influence. Once you accept the way things are, you have power in the situation. Drop all resistance to what is.

TAURUS (April 20-May 20). It will be as easy to make a

big change as it is to make a small one. So, as long as you are envisioning a change, go for one that will make a huge difference in your life.

GEMINI (May 21-June 21).

Most of what needs organizing is emotional, but it can be handled through the physical moving of objects. You process feelings as you tidy up and arrange your possessions in a pleasing manner.

CANCER (June 22-July 22).

You'll look at things like a true and inclusive optimist. That means the glass is neither half full, nor is it half empty. It's all the way filled and brimming over. It's just that some of the content is water and some of it is air.

LEO (July 23-Aug. 22). One moment vou're tuned in to the people around you and present to the conversation and work at hand; the next you are focused on experiencing your inner world. Alternating between these two forms of mindfulness will serve you well.

VIRGO (Aug. 23-Sept. 22).

One way to keep someone's attention is to dangle a promise in the air, then yank it back. It's the old carrot-on-a-string trick, not for the faint of heart, though it keeps things interesting.

LIBRA (Sept. 23-Oct. 23).

You've been so busy watching the entertainment around you that you forgot to get up

and show the world what you can do. Take your turn in the

spotlight. SCORPIO (Oct. 24-Nov. 21).

You'll find creative ways to use what you have. You'll tinker and fix things and assemble your resources in such a way that the result is greater than the sum of its parts.

SAGITTARIUS (Nov. 22-Dec.

21). Plan for future good times. The fun you anticipate will bring your endorphins up almost as much as the fun you're actually having. You love to be surprised by humor and camaraderie.

CAPRICORN (Dec. 22-Jan.

19). Life is not a dress rehearsal. You're fully aware that the show will go on regardless of the level of energy of your performance, and this is why you give it your all.

AQUARIUS (Jan. 20-Feb. 18).

Removing yourself from a scene will help you see it for what it is. Tonight, someone you know needs to hear words of love. Lead with compassion.

PISCES (Feb. 19-March 20).

To learn from your mistakes, you have to be willing to make them in the first place. Your habit of being hard on yourself after the fact isn't helping. Ease up. It's okay not to get it right every time.

FRIDAY'S BIRTHDAY (Dec. 31).

You'll express what others need to hear and lead a group into clarity and success. The spirit of receptivity also visits your personal life. Your connections grow stronger, your relationships more vibrant as you make the sort of bold choices that are only possible between people who truly trust one another. Aries and Libra adore you. Your lucky numbers are: 8, 14, 33, 40 and 15.
