**Jeffery Adair Trenary  
Nehalem  
Aug. 16, 1950 — Feb. 9, 2022**

Jeffery Adair Trenary, 71, passed away at 2:30 p.m. on Feb. 9, 2022, in Arch Cape, lovingly surrounded by his children and sisters.

Jeff was an Oregon native, born in Portland to parents Mike and Mardine on Aug. 16, 1950. Jeff attended Madison High School and received his GED diploma from the University of Oregon.

Jeff leaves behind his three children, Clinton (CB) Johnson, Lucy Wild and Mercedes Trenary; as well as his sisters, Pamela Trenary, Marcia Trenary and Melinda Trenary; his grandson, Desmond Trenary; brothers-in-law, Hampton Scudder and John Maher; sister-in law, Cindy Forslev; and his nine nieces and nephews, and nine great-nieces and nephews.

Jeff moved to Nehalem in 1986 and began his life's work as an organic produce farmer. His farm, Kingfisher Farms, supplied produce to people along the coast, in Portland, and even as far as New York.

If you were lucky enough to have had the pleasure of being nourished by his beautiful harvests, then you know that he was the true

"OG" farmer out at the coast.

He was often stoic and gruff, but also gladly shared his knowledge of farming, the history of the area, and most definitely enjoyed eating good food, drinking good wine and telling tall tales with good company.

Jeff was an avid surfer for most of his life, and as a teenager spent all his free time at the coast. He could often be spotted hitchhiking to his favorite beach, Short Sand.

Jeff loved to travel, and spent many winters in Mexico, Hawaii, Italy, Bali and Thailand. He often shared memories from his time spent in Norway helping to build boats. Jeff was a lover at heart, and shared his life with those who took the time to know him. He will be greatly missed.

Jeff was laid to rest on his property at a private ceremony with his family on Feb. 27. A community celebration of his life will be held in August.

In lieu of flowers or donations, please support your local farmer by purchasing some veggies, and prepare a delicious meal in honor of Jeff.

Loggers cruise past Heppner

Tournament directors had Day 1 of the 2A boys basketball state tournament scheduled just right — they saved the best team for last.

The Knappa Loggers capped the first day of the boys' tournament with an impressive 63-50 win over Heppner late Thursday night, advancing to the Final Four for the fourth straight season.

Most of all, the No. 2 seed Loggers looked like the best team on the floor on Day 1 in Pendleton.

No. 1 seed Western Christian barely escaped with a 46-43 win over No. 9 seed Kennedy in the other half of the bracket — the same Kennedy team Knappa defeated 59-42 back in December.

The Loggers were set to play a Friday semifinal vs. No. 3 seed Salem Academy, and Knappa is guaranteed a Saturday game.

Knappa — with nearly the same starting lineup — defeated the Mustangs 70-32 in a first round state playoff game in the state tournament of the shortened spring 2021 season.

And it was Loggers from start to finish in Thursday's contest.

Six-foot-nine Knappa post Logan Morrill scored seven points in the first quarter and helped the Loggers to early leads of 7-0, 10-2 and 14-5.

Multiple turnovers by the Mustangs resulted in easy points for Logger guards Tanner Jackson and Shane McMahan, and Knappa reeled off a 14-4 run in the second quarter.

The first half ended with Knappa's Drew Miller banking a desperation shot off the glass as time expired for a 35-18 Logger lead at the break.

Heppner battled to within 13 points in the third quarter, but the Loggers kept forcing turnovers, and McMahan scored six of his game-high 23 points in the fourth quarter to keep Knappa well ahead.

A few late 3-pointers helped the Mustangs finish on a 9-2 run. Morrill finished with 20 points, 13 rebounds and five blocks. Knappa had 22 points off 19 Heppner turnovers.

I saw the highest standard of health safety practices in effect during my hygienist appointment today—much higher precautions than I'd seen in a local hospital when having tests last month. The new sanitation equipment and attention to patient safety at Klemp Family Dentistry is in keeping with a dental practice I consider cutting edge with respect to all my dental needs. It's wonderful having a world class dental practice here at the coast, one where I can have procedures performed for which I used to have to travel to a specialist in Portland. I have been a patient of several local dentists in the past, but none had the skill and, more importantly, the attention to patient comfort that Dr Klemp provides.
