

# TOMORROW'S HOROSCOPE

SUNDAY, MARCH 6, 2022

**ARIES (March 21-April 19).** You'll come to a situation in which you may seek authority, as it seems you need it to pass through the gate. But there is no universal ticket that will allow you to pass. Only you can authorize yourself.

**TAURUS (April 20-May 20).** No matter how hard you try, you won't be able to see yourself as well as the person sitting across from you. Ask that person for a little insight. It will give you an edge.

**GEMINI (May 21-June 21).** You crave honesty. The rawness of another will speak to your own. This is why you'll find a vivid mess of a person more interesting than the one doing everything appropriately and correctly.

**CANCER (June 22-July 22).** When you like someone, you want to help and support them in any way they need. But when you love someone, you want to dazzle them. This will take planning. You'll be excellent at it today.

**LEO (July 23-Aug. 22).** No, you're not imagining it; people look to you to solve a problem. You've solved problems before, and they want you to do it again. In today's case, this has to do with charming or entertaining them.

**VIRGO (Aug. 23-Sept. 22).** Things get a lot more interesting when they are delivered through mysterious or artful methods. The same discourse that causes the glazing over of eyeballs is made fascinating by the right messenger.

**LIBRA (Sept. 23-Oct. 23).** Solving new problems often takes a while as you fumble around to figure out what's going to work. It's not so today; you'll get lucky early on with a good and graceful option.

**SCORPIO (Oct. 24-Nov. 21).** The beginning of projects and relationships establish the tone and rhythm of what follows. You'll have more influence when you get in on things in the early stages.

**SAGITTARIUS (Nov. 22-Dec. 21).** Ever since you went looking for your happiness and didn't find it, you've been wondering if someone moved it, stole it, scared it off... or what? It's waiting inside a job you can take on to help someone.

**CAPRICORN (Dec. 22-Jan. 19).** Emotional and karmic tabulations can be much trickier to figure out than your run-of-the-mill financial debt. Try to agree on a currency, though, and you'll be on your way.

**AQUARIUS (Jan. 20-Feb. 18).** You're sly as a spy. You're paying attention to more than you appear to be. Sights in your periphery will inform. You'll learn something crucial as you pretend not to notice it at all.

**PISCES (Feb. 19-March 20).** If you knew it was impossible for you to lose anything that was essentially yours, how would you play it? Would you relax? Would you gain tremendous confidence? Would you take a risk?

**SUNDAY'S BIRTHDAY (March 6).** Charming and spontaneous, you'll prove your mastery of the art of living in the moment. Your improvisations will make memories and sometimes money. Summer sees you serious about a goal and dropping the distractions that compete for your focus. You'll step up as your own boss, call shots and claim rewards. Leo and Sagittarius adore you. Your lucky numbers are: 10, 3, 33, 47 and 49.
