

SEASONAL, FORAGED BOUQUETS AT NANSEN FLORALS

Floral business operates out of home studio in Seaview

BY HEATHER DOUGLAS

For Nansen Malin, operating a full service floral studio offers a deep sense of purpose. "Every single day, I have a deep heartfelt connection and confirmation that I am doing what I'm supposed to be doing," Malin said.

Nansen Florals is based in Malin's home workshop and greenhouse, located one block away from Pacific Avenue in Seaview, Washington.

It was voted the 2021 Readers' Choice Awards Best Florist.

The studio has seen an increase in orders over the past year, and some changes have been made to the workshop to handle the increase in volume.

Malin's husband joins in to help with deliveries on peak busy days, yet she tries to schedule time for deliveries because it's her favorite task. "One of the best parts of the job is seeing the look on the face of the person receiving their flowers," Malin said.
