Festival returns to Clatsop County Fairgrounds

Over the past four decades, the Crab, Seafood & Wine Festival has changed names, locations and sponsors, but one thing has remained the same: the overarching vision of the event, celebrating the bounty of dining on the coast.

"It has good roots," marketing manager and assistant director Regina Willkie said, who's been with the Astoria-Warrenton Area Chamber of Commerce for 25 years. "We've stuck to those roots throughout the years. It's changed physically and it's grown as far as number of vendors, but the general presence has remained consistent," Willkie added.
