NOTICE OF CITY MEASURE ELECTION
CITY OF SEASIDE, OREGON**

Notice is hereby given on November 8, 2022, a general election will be held in Clatsop County, Oregon. The following shall be the ballot title of the measure to be submitted to the City's voters on this date. An elector may file a petition for review of this ballot title no later than the seventh business day after it is filed with the city elections officer.

CAPTION: LOCAL OPTION TAX LEVY FOR FIRE EQUIPMENT AND PERSONNEL

QUESTION: Shall the City of Seaside levy \$460,000 annually for fire equipment, and fire personnel for five years beginning 2023-2024? This measure may cause property taxes to increase more than three percent.

SUMMARY: Funds will be used to purchase new pumper/tender to replace current 2004 E-One pumper/tender. The pumper/tender fire engine holds 2000 gallons of water for fires not close to fire hydrants. In addition to the pumper/tender, the Fire Department will be replacing its 4-story training tower with tower they can burn in, repel off, do elevator rescues, and training with the ladder truck. The current 4-story training tower was built in the early 1990's and has major deterioration and does not allow training that is needed. This levy is a continuation of the funding for the Training Officer through Fiscal Year 2027/2028. If this measure is approved, the total amount of money raised over the five-year period will be \$2,300,000.00, levied in equal amounts of \$460,000.00 in each of the five years. This levy replaces the current fire levy which expires end of fiscal year 2022/2023. It is estimated this measure will result in a rate of \$0.33 cents per thousand of assessed value the first year. The estimated tax cost is an ESTIMATE ONLY based on the best information available from the County Assessor at the time of the estimate.
