Caption: Temporary ban of certain psilocybin businesses in unincorporated Clatsop County

Question: Shall psilocybin manufacturers and service centers be temporarily banned in unincorporated Clatsop County for up to 2 years?

Summary: Psilocybin is a psychedelic drug found in certain mushrooms. State law allows for the licensed manufacturing and supervised use of psilocybin in licensed service centers.

State law provides that a city or county may adopt an ordinance to be referred to voters to prohibit the establishment of licensed psilocybin product manufacturers and/or psilocybin service centers.

The Clatsop County Board of Commissioners adopted an ordinance to refer to the voters that temporarily prohibits those psilocybin businesses in the unincorporated area of Clatsop County, in order to enable the county to consider local regulations once the state's psilocybin regulatory program has been fully established.

If approved, this measure would approve the temporary ban in unincorporated Clatsop County. The ban will lapse on December 31, 2024, unless repealed by the Board at an earlier date.
