**Value Crest**  
A pessimistic pilgrim in Portland, wrote us that he was willing to trade for some property here, "though we feel that Hood River is on the crest of its big values." Now what do you think of that? **Crest of its big values!** Evidently he is not familiar with values in other fruit districts, or he would know they hadn't begun to bulge. He didn't swap, and when he sees the mark that property reaches in the spring he will retire immediately to his igloo and blow out the gas.

**How One Doctor Successfully Treats Pneumonia**  
"In treating pneumonia," says Dr. W. J. Smith of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's Cough Remedy. While of course, I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself, as has also my wife, for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." For sale by all good dealers.

**Ill Health is More Expensive Than Any Cure**  
This country is now filled with people who migrate across the continent in all directions seeking that which gold cannot buy. Nine-tenths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health. Could every sufferer but undo the past and cure that first neglected cold, all this sorrow, pain, anxiety and expense could have been avoided. Chamberlain's Cough Remedy is famous for its cures and can be depended upon. Use it and the more serious diseases may be avoided. For sale by all good dealers.
