

WE ARE GOING AFTER YOUR TRADE THIS YEAR

HARDER THAN EVER

 We have made many friends in the past year, and intend to double the number by this time next year. Our policy of **"Being White"** has brought us a very successful year. We do not expect to sit still and let the business come to us---**We are going out after it.** And we are going to **get it** because we have the goods you want. Look over this list.

John Deer Buggies

Studebaker Buggies

Milburn Wagons

Mandt Wagons

Studebaker Wagons

Bean Spray Pumps

When the Old Wagon Breaks

Come in and get one of our line of Studebakers—the kind that stands up. If you have much hauling to do a Studebaker will pay for itself in a few months by saving you time and trouble and the expense of constant repairs.

You Know the Studebaker Wagon

For more than fifty years its reputation has grown better every year. This reputation is due to the good quality that has always been a part of the Studebaker Wagons. Each part is made from the lumber that is best fitted for that part. New England black birch makes the best hubs—the Studebaker hubs are made of it. Butt cut, second growth black hickory is the best for axles—Studebaker axles are made of it. Selected white oak is best for spokes and running gears—that is what is used in the Studebaker Wagon. The Studebaker Wagon

Is Perfect in Every Detail

That is why we sell it. Come in and let us talk it over. We have some interesting wagon books for every one.
