January Clearance Sale

Previous Prices Now Deeply Reduced to
Clear All Departments of Winter Goods.

WHILE the weather-wise predict that Winter will linger in the lap of Spring, we plan to positively prevent our Winter stocks overlapping the arrival of Spring goods. Their complete clearance is the purpose of the mightiest merchandise movement of this mid-winter month. The deeply reduced prices present powerful reasons for your ready response to economy's most eminent event.

Clearance as we plan permits no consideration of costs,---goods get going-out prices that you will greet gladly. Every department presents urgently underpriced offerings on seasonable and satisfactory stocks.

The sale is held in accord with our policy of carrying no goods over---what we buy to sell this season must be sold this season. Thus every article of Winter merchandise now in this store is marked down to a point where its speedy sale is assured. Immediate investigation is invited.

This Unmatched January Clearance Sale Begins Tuesday, January 4th
