PARKDALE
Parkdale is an interesting and thriving community situated in the heart of the Upper Valley, amidst the most beautiful surroundings nature can supply and is sure to become a thickly settled neighborhood.
With the railroad terminus and school house as a nucleus and Mr. Isaac's store going up this spring we will expect great things of Parkdale in the near future.
There will be morning service at the Parkdale Church at the school house during the month of February conducted by Rev. J. L. Van Nuy, pastor of the Mt Hood and Parkdale churches. Last Sunday a large congregation was present to hear him and listened to a most excellent sermon. Rev. Van Nuy and family are at present living in the Allen house, but we understand it is his intention to build.
Cards have been received by friends here announcing the birth of a son to Mr and Mrs C. C. Walton. He is named Maurice.
D. E. Rand, representing Heilbronner & Co has spent much time in this vicinity recently.
Lou Tomlinson has been appointed road supervisor for this district this year as Charles Thomas who served last year would not take it.
