

OUR SPECIAL BUGGY SALE GOES MERRILY ON

We still have several sets of Harness on hand which we will give away this week only. On next Saturday night the sale ends---Only three days more---don't fail to come in this week.

Have you seen our list of purchasers of Hardie Power Sprayers? You'll find the list in our display window. Look it over--we're proud of it. These purchasers have shown their good judgment by buying the **Hardie**. Do you know what sold all these machines? It was not expert salesmanship--it was the perfect AGITATOR! If you have never seen the wild waves break on the ocean beach during a storm, you have no conception of the turmoil in the Hardie Spray Tank. Perfect agitation of the Spray material combined with an even high pressure, spells a perfect crop of apples. Words descriptive of the Hardie Sprayer fail us--we can only urge you to come in and let us show you.

Don't get the idea that just because we advertise the power sprayer we don't keep hand pumps. We have one of the prettiest and most complete lines you ever saw. Prices range from

Fifty Cents
..to..
Fifty Dollars
