HOT SHOT FROM ELDER DAVISON

Hood River, Ore., March, 28, 1910
Editor Hood River News,
Dear sir—What a pity it is that our valley is cursed with such an outrageous and irreligious population. Where have these wretches been born and educated who violate all Christian sentiment by ploughing, discing, spraying and blasting on the Lord's day? No self respecting man would secularize the day appointed for divine worship if he would just stop and reflect for one moment upon the sanctity of this Christian institution. For more than eighteen centuries Christians have met together in all Christian lands for the worship of God on this day, and yet the covetous and greedy ranchers of this valley disdainfully and insolently work their teams and men, to the painful annoyance and disturbance of worshippers by blasting during the services of the sanctuary. It is to be hoped that these men who are thus defying the Almighty and proudly sneering at his church by contemptuously teaming and working in their orchards, and causing their employees to work also, thus depriving them and their families of their natural rights as citizens of this country to worship their Creator on the day set apart for his worship, that they will not at last be blasted in the last judgment.

When men neglect the house of God they deteriorate, become degenerates and altogether lost to virtue, honor and respectability. There are more divorcees, murders, suicides and thefts nowadays than there ever were in the world's history. It is all because men will not obey God nor the laws of their own country. These men are nothing less than anarchists; they defy the Lord, like Pharaoh, and say in their hearts "Who is Jehovah that I should obey his voice," and they despise government, yet they are supposed to be respectable people!

Our country is in the throes of a mighty nightmare of "respectability" displayed by the robber trusts and grafters—not to mention the delectable short weight sugar kings—from Maine to California. All this would be impossible if men were loyal to the church and obedient unto the requirements of our holy religion.

Surely Hood River ranchers will cease their insulting practices and at least respect the feelings of their Christian neighbors. I am, dear sir, Yours truly,
ELDER JAS. DAVISON,
Pastor Advent Christian Church.
