NEBRASKA AND MISSOURI NURSERY STOCK DESTROYED

Four hundred apple trees consigned to Richard Simms, a farmer of Highland, Clackamas county, were burned Thursday by County Fruit Inspector Lewis. The trees had just been received from the Galbraith Nurseries, of Fairbury, Neb., by Mr. Simms, and cost him, with the freight, about \$30. They were badly infected with crown and root galls and hairy root.

"This should be a warning to planters," said Mr. Lewis this afternoon, "as Mr. Simms had paid for the stock, and will lose all he paid. But he really galus in having them destroyed before planting. The lesson to be learned is to buy only from reliable concerns and even then to have inspection made of all trees before planting."

A lot of trees recently received from a Missouri nursery were also destroyed in Douglas county because they were diseased.

Gave Electrical Show

The students of the Engineering School of the Oregon Agricultural College gave an electric show Friday night which proved a great success.

The Steamer TEAL
leaves Portland for The Dalles, Big Eddy, and way points, Tuesdays, Thursdays and Saturdays at 7 a. m., returning Mondays, Wednesdays and Fridays, leaving the Dalles at 7 a. m. Resumed service Feb. 1st, 1910.

cess. Many electrical freaks were exhibited and some of the remarkable ways in which electricity has been applied to present day problems were illustrated.

A complete electrical home equipment, an isolated power plant, a wireless telephone, an automatic telephone, an X-ray machine and two miniature flying machines were among the exhibits.

The students in charge of the show were A. Finlay, R. L. Davidson, C. P. Richards, C. A. Vincent, D. H. Rowe, F. E. Pernot, H. D. Marsh, E. A. Sorenson and A. H. Schmidt.

Spoke at Lyle

At the monthly meeting of the Lyle Commercial Club held last week addresses were made by V. C. Brock of the First National Bank and C. R. Grelsen, assistant editor of Better Fruit. Mr. Brock spoke on the possibilities of the fruit growing business particularly apple culture, and according to our Lyle correspondent made a very interesting and instructive talk.

Mr. Grelsen gave an interesting and graphic account of the methods of packing and disposing of the Hood River apple crop, incidentally throwing out suggestions for the development of raw land.

The Commercial Club at Lyle is entering on an active advertising campaign.

Montana Red Comes to Grief

W. A. Breen, better known as "Montana Red," was arrested at The Dalles Thursday by Sheriff Levi Christman on the charge of larceny in a dwelling. He was arraigned before Justice of the Peace J. A. Douthitt and was placed under \$1000 bonds.

It is alleged that Breen stole between \$500 and \$600 from a hotel at Sherar's Bridge, which is managed by Benson & Wills, April 8th. When taken into custody Breen had \$240 in currency on his person and \$25 in gold.

In Memoriam

The unwelcome messenger of death has entered the home of Mr. and Mrs. Henry Lage and taken from its embrace their beloved little daughter, Florence Bentrice, who died in Portland Wednesday of last week, and was brought home for burial, the funeral occurring Friday afternoon. The impressive services were held at the Methodist church, conducted by Rev. Frank Spaulding. Florence was born in Hood River September 28, 1902, being 7 years, 6 months and 16 days of age at the time of her death.

It was Florence's first year at school and the members of her class walked on each side of the casket, which was tenderly borne to the Pine Grove cemetery by four young girls of the higher grades, Gertrude Hanson, Clara Thomsen, Jessie Stockwell and Anna Krussow. The ushers were Jessie Dethman and Maude Koler, while Stella Perry, Esther Krussow, Bernice Hanson, Laura Kohler and Zoe Newman acted as flower girls.

The flowers presented were both numerous and beautiful, and were largely contributed by the school children. Kind hearts and loving hands lined the grave with flowers and Oregon grape tastefully arranged, all testifying to the affection in which the dear little girl was held.

She has passed away in the morning of life; Saved from future trials, from sorrow and strife; To a rest in heaven, where no shadow of gloom Surrounds our loved ones beyond the tomb.

A "Know Oregon" Banquet

Probably one of the most unique banquets ever held in the state is to be held soon by students of the University of Oregon. It is a "Know Oregon" banquet, at which none but Oregon products will be on the menu. Every commercial organization will be asked to furnish its reasons why its locality is the best in the state and these reasons will be set forth in characteristic booster speeches by prominent students from the various counties. Likewise, on the belief that the "proof of the pudding is in the eating", each commercial organization must back its reasons with the goods. Thus Hood River will vie with Medford for apples, Marion county with Lane for cherries, Astoria will show its salmon, Yamhill go against the world for walnuts and potatoes, and so on through the list. It is expected that the banquet will be a time of great merriment and at the same time serve to show the students the great resources of all parts of Oregon.

Ready for Ice Cream Season

The Ross & Richards Company who are now conducting two places of business are making arrangements to supply ice cream in any quantity and deliver it. The firm will this year as in previous seasons handle the celebrated Hazelwood cream and has just put in use a new delivery wagon painted yellow, the creamery's color. The company has completed fitting up the building it recently moved into across from the opera house and is prepared to serve soda and ice cream. It has also put in a fine line of candles and will handle the Hazelwood cream at their place on the hill which is in charge of Mr. Richards and has been nicely fitted up. A very neat price list just issued gives the retail and wholesale prices for ice cream and contains a calendar of the drinks that are supposed to be popular during the summer months.
