MOSIER MAY HAVE ELECTRIC LIGHTS

From the Mosier Bulletin we learn that C. M. Shaw, of the firm of Dean & Shaw, electricians of this city, was at that city last Wednesday looking over the town with a view to future work in their line. He stated that it was not improbable that the Hood River Electric Light, Power and Water Company would extend their line to Mosier.

Hated to Leave Hood River
"I hated to come back to this country," remarked C. W. Gibbs, who has returned recently from his ranch at Hood River, Ore. "It was summer there and the cherry trees were in blossom. The weather is certainly fine down there."
Mr. Gibbs has 10 acres of his land in orchard, while he is having the rest cleared this spring. Two acres are in peaches and the rest in apples, Spitzbergers and Newtowns.—Wallace (Idaho) Press.

Now It's Profitable Ducks
And now comes a reply to the "Profitable Hens" article in last week's News. This time it is about profitable ducks. Here is the epistle as it was handed in at the editorial sanctum:
Editor of the News: I have four Indian runner ducks that made a record of seven dozen and seven eggs for the month of March. Yours truly, F. C. House.

Hood River Orchard Bargains

It does not hurt a fact to hammer it
Let us show you the best 10-acre bargain in Hood River, 3 1-2 miles from town, near good school, church and store. A lot of fine 4-year-old Spitz and Newtowns on place. House and barn; all level land, \$4,500. \$1,000 will handle it.

Look Here!
A fine ten acre tract 3 miles out, nearly all set to trees; some four years old. A lot of strawberries, 25 inches free water with place. Land all level. Creek runs through place. House, barn and chicken house; right near good school and church. This reads good and looks better — \$7,500. \$3,000 cash will give you possession.

Say!
Here is a 15-acre tract near the famous Struck orchard. This place can be bought this week for \$400 per acre. \$1,000 worth of nursery stock goes with place. About 700 standard varieties of fruit trees on planted. Some berries and a lot of hay. House and barn on place. \$2,500 will give you possession.
Snap!
Only \$7,000 for one of the best 5-acre tracts near the city limits. Fine bungalow and good barn. A lot of berries and fruit trees; in fact the place is in a very high state of cultivation and a dandy buy.
Free!
Well, it sounds like it. A fine 5-acre tract right near town all set to Spitz and Newtowns and a lot in berries. Small house and barn; stock implements and furniture go with place. Everything goes this week for \$5,000. \$3,000 cash, balance on time.

The Electric Line
is surveyed past this 19; acre tract almost in the city limits. 265 13-year-old bearing trees. Should have 1200 boxes easy this year; house, barn, etc. Creek runs through place. All well watered. Move right into the house and begin to make money from the start. \$8,000 takes the place this week. \$3,000 cash down.

We have a lot of other fine Orchard and City bargains. See us before spending your money. List your property with us for quick sales.
