For they are expensive, quite, the pieces of handmade jewelry that have become the fad among the very smart. Milady of millions wants originality and distinctiveness and exclusiveness. and she is willing to-pay well for them. So you and I, dear reader, will have to content ourselves with the ordinary jewelry that is sold in the stores funless we want to give up a great deal more for the handmade va-

It isn't very hard to make aandmade jewelry, says Miss Conquest. All one needs is the ability to originate designs, the delicate yet firm touch of the test artists in marble and canvas, of the office on Cascade avenue where Dayton, Wash., Mr. and Mrs. W. A. the facility in the use of a whole battery of jewelers' and diamond setters' tooks and the ability to persuade your fidends that the pieces you turn out fre worth the high prices you charge, considering the time it takes you to make them and your standing as an artist. Quite simple, isn't it?

Miss Conquest is one of the most enthusiastic devotees of the new fad as well as one of the most expert. The work has taken a great hold on her, and she confessed recently that she had thought seriously of giving up the stage in order to devote all of her time to it "The principal thing for a won an who wants to take up handmade IDA CONQUEST, OFF THE STAGE AND IN jewelry seriously and make a success of it is friends who have the artistic romantic and sentimental characters, taste to ppreciate her wares and But, then, Miss Conquest is on record money enough to prefer them, even at as saying that acting is not an art- the necessarily high prices, to the reg only a "near art," so she is not to be ular set pieces one sees in the jewelry
