**FRANKLIN HIGH SCHOOL COMMENCEMENT EXERCISES**

Invitations are out for the commencement exercises of the Franklin high school to be held at Park Grange Hall, Saturday evening, May 21, at 8 o'clock.

A program consisting of about a dozen numbers has been arranged and is published herewith.

Miss Alma L. Absten is the only class member this year.

Just a Heart to Heart Talk

This is for the attention of any man in the Hood River Valley that

believes Hood River is more than a little dot on the map. This little story is sad but true and makes every thinking man put his head down in shame.

The Senior class of the high school started work several months ago on a play, an event in the lives of every man who can look back and remember his class play, where Maud Adams was really found to be but an amateur and Henry Irving but a novice. Don't you remember that Mary played her part so beautifully that it made a chill creep up your back and your eyes filled, but you wouldn't cry, no man ever does, but you blew your nose just the same.

The high school class were working on the play and it was ready to be presented, when to there was no opera house in Hood River. There was no place with a stage and curtains. There was no place it could be given.

What can we do was the cry. Then the Pine Grove district comes to mind and out in the heart of the orchards that are adding wealth up on wealth to the valley is found a place with a real stage and a real curtain where the play can be given.

Mr. Early is immediately seen and assures them that at a very small cost he will run a special train out to the play.

So the play, Christopher Junior, will be given, not in the town of Hood River but in the commodious hall in Pine Grove, on Friday evening, May 20th.

This should make everybody be ready when any Hood River man says, "Will you help me build an opera house?" to say "There we are with you and while we are about it let's build one that will be worth while and a credit to Hood River and Hood River's fame."

Sweet Songs Popular

The "Sweet Song Campaign" under the direction of Prof. Stout at the Methodist church has already proved a great success. During the past week many souls have been born into the kingdom and given their influence and lives to the church.

Prof. Stout's gospel looses nothing of its penetrating power, but rather is augmented in force, while it is presented in so sweet a manner as to steal into our hearts as a welcomed old time friend comes to our home to abide there.

Last Sunday morning the services in the Sunday school and church were most impressive. They were not only instrumental in bringing newly born souls to Christ, but in bringing many souls to a consecration for service not known before. The Sunday evening crowds could scarcely be accommodated in the church and large auditorium addition and this service was most impressive and fruitful.

This campaign is not primarily one for any church, but a campaign for souls and this has been recognized by all the churches voluntarily giving up their services both morning and evening for the next two Sundays to join in this great movement. On Tuesday, Wednesday and Thursday evenings of this week Rev. C. L. Hamilton of Portland, one of the most successful evangelists will assist in the meetings. The meetings begin at 7:45 each evening except Saturday.

Resolution of Condolence

Whereas, It has pleased the Infinite Power of the Universe to remove from the home and fireside our esteemed neighbor Pearl H. Coons, therefore, be it resolved, that Hood River Camp 770, W. O. W. extend to the family circle of our neighbor, the most heartfelt sympathy in their hour of bereavement and be it further resolved, that these resolutions be placed upon the minutes of our Camp and that as a token of our respect, our charter be draped in mourning for a period of thirty days, that a copy be sent to the local papers.

Fraternally submitted,

Good Roads

Under the auspices of the Hood River Commercial Club on Thursday evening, May 26, there will be held a lecture on good roads, a subject that should interest every fruit grower who has use of the roads. This lecture will be free. A representative of the Good Roads department of the United States Government will give an illustrated lecture, and Judge Webster, head of the Oregon Good Roads Association, will speak. The lecture will be held in the Congregational church. Every man in the valley should be present as there is no subject of more importance, then good roads.

Unhappy Honks

Now will you be good! The evening of the 16th day of May, 1910, just after the city fathers had adjourned and while the mayor and chief of police were on their journey home, Bud Cushman came down State street with his honk wagon at a rate exceeding 10 miles per hour, and to reward his ambition to get home quick, City Recorder Langille gave the young man the privilege of paying into the coffers of the city the sum of 20 plunks. This, however, will not be collected if the young man will be good—and he promised.

Smith-Hammond

Chas. F. Smith and Laura A. Hammond were married at the Congregational church May 12, 1910, at 10 a. m., Rev. W. C. Gilmore officiating. Mr. and Mrs. Smith will live on a farm at Odell.
