**ODELL**  
Your humble correspondents have  
been off duty for lack of confidence.  
Mrs. Tousey will move back to her  
ranch within a few days.  
The principal expects to attend  
the summer school at Eugene.  
W. L. Carnes has a number of car-  
penters busy remodeling his house.  
Miss Walker of the Intermediate  
room expects to spend the summer  
in Seattle.

About forty friends of Miss Gladys  
Crosby gave her a very pleasant sur-  
prise Friday evening.  
B. F. Young has just returned from  
the Roseburg country where he pur-  
chased a small tract of land.  
The F and M club met with Mrs.  
Harry Kemp Thursday. Mrs. Henry  
Lewis entertains the club two weeks  
from that day.

Robert Livingstone, Jr., his acade-  
my friends, Jim Bosey, Mr. Crysalle  
and Mr. Lea have been at the Weth-  
erby place this week.  
Why are the editors keeping quiet  
on the parcels post and postal sav-  
ings bank bills? Surely they deserve  
the support of all public spirited men.  
We are sorry to hear that Rev.  
Spaulding is called to Dayton, Wash.  
after the first of June. We extend to  
him and his family the best of wishes  
in their new home.

The eighth and tenth grade gradu-  
ating exercises take place Monday  
evening, May 23, in the Odd Fellows  
hall. We are fortunate in securing  
L. R. Alderman of the university for  
the address as he is a very interesting  
speaker. All are cordially invited.  
There has been so much difficulty  
in keeping rural carriers in this  
district that the only solution of the  
trouble seems to be in the establish-  
ing of a post office in the immediate  
vicinity. A petition with over one  
hundred signers is in Washington  
now.

School closed Tuesday. In the  
forenoon the children were treated to  
ice cream and the Livingstone prizes  
awarded. The afternoon was taken  
up by a program prepared by Mrs.  
Tousey and Miss Walker for the ben-  
efit of the parents. The following  
gave short addresses: Rev. Gilmore  
of Hood River, W. L. Carnes, Troy  
Shelley, M. D. Odell and Mrs. L. A. E.  
Clark.

**UNDERWOOD**  
F. S. Forrest is up from Portland  
for a few days with his family.  
C. M. Fowler and wife with friends  
are up for over Sunday at the ranch.  
Hunter Vinton is here to help im-  
prove the ranch in the Sioux City  
Colony.  
Harry Stickney went to Hood  
River one day last week to spend the  
evening.  
Dr. George Whiteside and son, of  
Portland, came to spend Sunday at  
the Skooku Orchards.  
Mr. Byrd, an orchardist, from  
White Saloo, is spending the week  
with Mr. and Mrs. Hamlin.  
The Underwood baseball team  
cross bats with the Husumites Sun-  
day. We wish the boys success.  
Judging by the number of new  
vehicles that Mr. Lowden has pur-  
chased they must contemplate going  
on the road.  
Several of the neighbors are happy  
that they have strawberries to ship  
these days when the prices are so  
high.  
Miss McAshland, who has been  
teaching back of White Salmon for  
several months, is visiting the Ham-  
ilton family.  
Bert Adams and family moved into  
the Cobb residence this week. Mr.  
and Mrs. Cobb have gone back to  
Maine to visit.  
Dr. Webster and wife, of Salt Lake  
City, are visiting Mr. and Mrs. Grif-  
feth. The doctor must think the  
country is alright for this is not his  
first visit.  
Mrs. W. B. Rine entertained the  
ladies club on Tuesday with a  
musical program, greatly enjoyed by  
all, after which she served delicious  
refreshments.  
Fannie Haynes gave a party for  
some of her friends Wednesday even-  
ing, it being her 18th birthday.  
There were about fifty present and  
all had a most delightful time.  
A fine new touring car was seen in  
the suburbs this week. We thought  
that some of the neighbors had  
blown themselves, but heard that it  
was some of the White Salmon look-  
ing our country over, probably for  
an investment.

**PINE GROVE**  
Several from the grange attended  
the state grange at Oregon City last  
week, among them A. I. Mason, Miss  
Joy Mason and Mrs. J. G. Jarvis.  
Rev. Spaulding made the announce-  
ment at the close of the morning  
service last Sunday that only one  
more Sunday could he be with us as  
he had accepted the charge in Day-  
ton, Wash., owing to the pastor  
there resigning on account of illness.  
The intelligence was received with  
great regret by all, as through his  
kindness and consideration he has

endeared himself to all. Much as we  
regret to lose Rev. Spaulding and  
his estimable wife and children we  
recognize he will have a much larger  
sphere in which to labor, and the  
citizens of Dayton will grieve what we  
lose. The vacancy will be filled by  
Rev. Hayes, who comes well recom-  
mended.

**Davidson Ready for Strawberries**  
We have already received a long  
list of orders for strawberries and  
more coming in each mail from both  
old and new customers. We are also  
pleased to note that so large a num-  
ber of growers wish to have us han-  
dle their crop of berries again this  
season and we expect to make the  
same favorable showing on the re-  
turns that we have made in former  
years. Business prospects are gen-  
erally good and with good fruit well  
packed the season should be a very  
profitable one for those shipping  
with us. We always get a fancy  
price for our brand and ask growers  
to bring us the quality so the cus-  
tomers will be satisfied and help ad-  
vertise the fact that Hood River are  
the only kind to buy. We are ready  
for berries. **DAVIDSON FRUIT CO.**
