New Spring Goods

A goodly portion of our new spring goods that we bought early have arrived and the styles, patterns and general appearance seem much more striking than any previous season. Styles run very much to pumps; then we have a nice lot just received in Oxfords and regular light shoes, as well as pumps in patent, tan, black suede, ooze calf and kid.

Hosiery

Guaranteed. Our line of Black Cat Hosiery is the best values on the market and every pair is guaranteed to give satisfaction or replaced with a new pair and no questions asked. This is pretty strong argument, but the style, beauty and values are in them and you take no risk in buying this line.
