ADVANTAGES OF WOMAN'S LEAGUE

If the ladies of this community would only stop to consider the many advantages of the League in addition to the beautiful Chapter House, we will have built for us, as soon as we have 75 members, we would soon have enough members to entitle us to the Chapter House. All we pay for is the magazines, for that we get the magazines. The Chapter House and all the rest is our premium.

Frankly, you do not understand the plan, do you? You are willing to? You agree that the building would be nice to have? Why? It would be a pleasant place to go evenings. The concerts, the music, the educational and social opportunities, isn't this worth while? You are not asked to donate to this cause. The money is ready and will be sent here to be spent just as soon as 50 members have completed the membership requirements. The plan is much the same as life insurance. The magazines pay the premiums.

All Hood River friends should send every possible subscription and renewals through the "Hood River News" or other friends here. Make every subscription help build the Chapter House.

The magazine business is being systematized by the American Woman's League. Publishers have been scrambling for subscriptions, and giving all sorts of premiums. The wasteful traveling agent and the worse premium plan are being given up. Instead, the League through its members, gets the subscriptions and the commissions that would ordinarily be waste, are devoted by the League to the building and upkeep of a People's University at University City, and beautiful Chapter Houses all over the United States.

The Peoples University a year ago was only a dream. The League is only fourteen months old. Today, the first of the six great buildings of the University, the Academy of Fine Arts, is built and occupied. The cost of this beautiful building alone is over \$125,000.

The People's University is giving instruction by correspondence to thousands. Sixty-eight complete lessons by mail courses, embracing over two hundred separate subjects, are now ready. Members may take as many of these courses as they desire. The minor children of all members are also welcome to take any course desired. Think of this great opportunity to educate your children at no cost to you whatever, except the bare cost of postage for sending on the lesson papers to be corrected.

A booklet on the courses now ready may be had on request at the "Hood River News" office, or you may write direct to The People's University, University City, St. Louis, Mo., for any detailed information you may desire.

Among the courses which are given free to all members of the League, may be mentioned: The Teacher's Courses, Arithmetic, Agriculture, Journalism, Bookkeeping, Stenography, Home Economics, Drawing, Sculpture, Art, Embroidery, Dress-making, Music, Photography, Jewelry Engraving and Designing, Penmanship, Ceramics, Leather Work, Short Story Writing, Business Course, Millinery, etc., etc.

Remember, all we pay for is the magazines, for that we get the magazines, the Chapter House and all the rest is our premium.

Send your application in now to the "Hood River News" office or write direct to Mr. L. F. Grimm, R. F. D. No. 1, Local Representative in Hood River.

Threshermen's Meeting

Every thresherman and farmer in Oregon is invited to attend the Threshermen's convention to be held at Albany, June 2nd, and 3rd. Secretary Bates states that it will be the largest gathering of agriculturists in Oregon this year. The United States government has arranged to send two of its best men from Washington. The Governor of the state will be present and the program for the two days is replete with the best that money could obtain. The Commercial Club of Albany will furnish a big banquet at noon of the 3rd, to the delegates on the Court house lawn. Both the O. R. & N., and the Southern Pacific lines and branches have made a one and one-third rate on the certificate plan and a ten day's limit will be given to the Eastern Oregon contingent that they may stop over at Portland for the Rose Festival the following week.

Still Hugging Huggins

Hood River, not being satisfied to rest on her laurels won on big apples sent a youngster to Stanford University to contest as a sprinter in the athletic meet and he won out. His name is Huggins and since his arrival home on Tuesday night, Hood Riverites have not ceased to hug him.—Newberg Graphic.
