present as something of importance is to be presented. The worthy lecturer is preparing a good program consisting of quartets, solos, recitations, etc. A question box will be stationed near the door and all those desiring to ask a question on local or grange matters please write on a piece of paper and slip in the box.

DIED

Roswell Shelley

Roswell Shelley formerly of Hood River and one of its most loyal supporters, died Sunday after a lingering illness at the Good Samaritan Hospital in Portland, aged 65 years. Mr. Shelley was taken to the hospital several weeks ago suffering from kidney trouble. In the hope of saving his life an operation was performed and it was at first thought that he would recover. Later complications developed that caused his death.

Mr. Shelley was born in Jefferson county, Iowa in June 1847, and came to Oregon, crossing the plains in 1848. With his parents he first settled in Independence, where his boyhood was spent and where he was in business for many years. Afterward he went to Alaska in the service of the government and on his return spent some time in eastern Oregon. About eight years ago he came to Hood River and bought property at Odell. He established there a general store which he characterized the Little White Store and which was known far and wide.

About three years ago Mr. Shelley went to Carson where he engaged in business and for two years had been in the habit of spending the winter in California.

He is survived by his wife who is a sister of F. C. Sherrieb of Hood River and two sons, R. D. of Carson and Hugh of LaGranda. Also his brother Troy Shelley of Hood River.

Roswell Shelley was a man of particularly engaging personality, of kindly heart and a wonderfully optimistic temperament. During his residence here he was one of the foremost in every progressive movement and it is doubtful if any man in Hood River had more friends.

The funeral was held at Independence yesterday afternoon, the services being conducted by Rev. J. L. Mershner. Rev. Troy Shelley and Miss Hope Shelley were in attendance. Interment was made at Independence.

Gave Fire Boys \$150

To the News:— We desire through your paper to thank P. S. Davidson, C. H. Vaughan and D. A. Turner for a gift of \$50 each to the Hood River fire department in appreciation of its efforts during the recent fire. This act on the part of our friends has caused the members of the department to feel that their work is appreciated by the public and also encourage them to give the city a better department in the future with the cooperation of the citizens.

Yours truly,

W. Gauger, Chief
Arthur Clarke, Asst. Chief

Rose Service

There will be a service of special interest at Riverside Congregational church Sunday at 11 a. m. The theme presented will be a rose sermon or "Treating Life Suggestively". Special music will be rendered. All members and friends are requested to be present.

MOSIER

H. F. Bothar spent several days in Portland this week on business.

Miss Grace Dewall returned home Saturday morning from a two weeks' visit in Portland and vicinity.

Miss Alice Davenport spent several days visiting her brother John, going on to Portland Saturday morning.

J. T. Davenport is remodeling his cottage and putting on more porch, and when finished it will be much more convenient.

S. G. Bettes had a well filled house Friday evening to hear his lecture on temperance. Everyone seemed to enjoy hearing him.

Miss Bertha Booth left Saturday to visit friends in Walla Walla before going to Portland to spend her vacation with her brother.

Mrs. Sellenger and daughter, Mrs. Langstry came up from Cascade Locks Saturday and called on friends, returning in the afternoon.

Ed. L. Howe has a new auto to run to and from the Lehowa fruit farm. Mosier can now boast of three machines and only in her first year. Watch us grow.

W. A. Davis and Mrs. Anna Tryon were united in marriage last Wednesday at high noon, at the home of the groom by Rev. W. A. Stark. A few friends and relatives were present and all sat down to a sumptuous wedding dinner, prepared by Mrs. J. Connor, a sister of the groom.

The graduating exercises held Wednesday evening, in Stroup's hall were well attended and a short program was rendered, which included

several songs by the school and an address by Rev. Warren of The Dalles. Prof. Webb in a few well chosen words presented the graduates with their diplomas. Miss Mattie Hudson, Alforda Haake and Wendall Taylor were the graduates. After the exercises strawberries and cream and ice cream and cake were served.

PINE GROVE

Memorial services were held at the church Sunday morning. Rev. Hayes the new pastor, gave a good address which was well appreciated by the congregation.

Mr. Fike's and Mr. Brown's people entertained friends from the east last week. The friends of the former leaving Sunday evening for other points in the west.

Several from the community visited the Upper Valley Sunday, enjoying auto-rides, and taking in the various improvements going on in that section of the country.

Mr. Robertson has taken a contract of grubbing 40 acres of land in the Upper Hood River country, employing several men, among them Vivian and Clarence Mowreader.

Miss Vivian Jarvis, who has accepted a position as stenographer and bookkeeper with the Gilbert-Vaughan firm of Hood River, visited her brother, J. G. Jarvis, and family Sunday.

A party composed of Carl Johnson and sister Gertrude, John Johnson and family and Martin Drayzeth and wife went to White Salmon country Sunday morning for a pleasure trip returning Sunday afternoon.

The next grange meeting, June 4th promises to be an interesting one. Grangers are all requested to be

Have a Genuine Water Supply In Your Home

Farm, Village or Suburban

If you could look in at the windows of this beautiful country home you would catch glimpses of the kind of comfort, enjoyment and prosperity that an abundance of pure water, cold or hot, actually helps to produce.

An abundant water supply is the one thing indispensable. It makes country life, even pioneering, a pleasure, a luxury—a successful business, if you please. The Leader Water Supply System does all a city system can do—it will even supply a town. For most modest homes, for mansions, large farms, public institutions or municipalities, the Leader System is most simple, complete, satisfactory.

Most Simple and Complete

It takes water from whatever source is available—spring, well, stream or lake; close at hand or at a distance; brings the water into a steel tank at the same time pumping air into the tank, thus forcing the water as desired, to kitchen, bath room, laundry, milk room, stable or even to most remote corners of the place—for water in barn or garden, or for watering stock in the pasture.

We make it to suit your needs. **No Attic Tank**

The tank is usually located in the basement, where machinery belongs. Or the pump may be in the basement and the tank may be buried in the ground as further protection against frost. Fire protection is also one of the strong points of the Leader System when installed in public institutions or municipalities.

Why We Can Guarantee

The complete apparatus is made right in our own Tennessee works. We put in a perfect system.

Leader Water Supply System

This interesting book, "How I Solved the Water Supply Problem," tells what is needed for one man. Just send for it, **TODAY!**
