THE PARIS FAIR

The Store that Gives You the Best Values

New Neckwear for men, 4-in-hand, shield tecks,
band tecks, boas, etc.

In all the talk about the cost of living, one thing should be understood: Good Clothes have not advanced as much as other things. Compared with other goods of large consumption, the advance in the cost of fine clothing has been 15 to 100 per cent less than on the other things.

The important point for us is:

**Do you get what you pay for
in Clothes?**

The increased cost in wool has led many makers of clothing to use more cotton and adulteration than ever. The result is a general decline in the quality of clothes.

**Hart-Schaffner
& Marx**

maintain the all-wool standard in their goods, regardless of high cost. Every fabric bearing their name is all-wool, and when you find their mark you find abso-

lute reliability in quality. H. S. & M. Suits for \$18, \$20, \$22 and \$25. Other makes for \$8, \$10, \$12 and \$15.

APPLE CITY BOYS DEFEAT GOLDENDALE

In the Columbia League series Hood River went to Goldendale and defeated the Klackitats by a score of 5 to 3. The game was a good one, Lake's delivery baffling the Goldendale boys while the Apple City lads made good with the stick and in the field.

At White Salmon The Dalles lost to the former team by a score of 8 to 2, owing to the ineffectiveness of Riddle who pitched for the Cherry City boys.

Hood River plays at The Dalles Sunday and the last scheduled contest will be pulled off at Goldendale the following week.

The standing of the teams of the Columbia River league is as follows: The Dalles, 636; Hood River, 545; White Salmon, 545; Goldendale, 272. If The Dalles wins another game, White Salmon or Hood River must win in both remaining games to tie The Dalles for first place.

PARIS FAIR WILL PURCHASE VALUABLE BUSINESS CORNER

M. E. McCarty and George Thompson, proprietors of the Paris Fair, who have had an option for some time on the corner belonging to G. D. Woodworth and formerly owned by O. B. Hartley, will close the deal today by purchasing it. The property is 100x100 feet and was bought by Mr. Woodworth for \$10,000. The price to be paid will show a substantial advance.

It is stated by Mr. McCarty that the Paris Fair is in need of more room and that the property was bought with the idea of building on it when their lease expires on the quarters it now occupies. The firm is compelled each year to add a larger stock to the various departments of the store which is becoming overcrowded. When built the Paris Fair will occupy the entire building and all of the departments will be enlarged.

Some time ago Messrs. McCarty and Thompson made an effort to buy the Odd Fellows building, but owing to a disagreement among the members as to the price they abandoned the idea. The corner they have decided to buy is considered one of the best business sites in the city and is looked upon as a good investment for the firm.

Commercial Club Meeting

The Commercial Club at its meeting Monday night decided against a Fourth of July celebration under the auspices of the club. It was stated that Parkdale and Park grange would celebrate and therefore it was believed that it would be better for the city to wait until next year, when it could secure the cooperation of the entire valley. A committee was appointed to secure furnishings for the new club rooms, which will soon be ready for occupancy.

Receives Call at Dayton, Wash.

Rev. W. C. Gilmore pastor of Riverside Congregational church has accepted a call to the First Congregational Church at Dayton, Wash. The new pastorate is a desirable one for Mr. Gilmore and his many friends are congratulating him and also the congregation which he will serve. The church is a \$10,000 edifice with a pipe organ and handsomely furnished. It has a seating capacity of 400, with a Sunday school room in the basement.

If you want quick returns on your wife's life insurance policy, just forget all the Labor Saving, Money Saving and Time Saving Electrical devices on the market at the present time.

With an **Electric Chafing Dish**, a **Percolator** and a **Toaster** you can prepare a good breakfast or a midnight lunch in 7 minutes to 10 minutes from the time you enter the kitchen.

With an **Electric Washing Machine** you can put clothes to soak at night, listen to them being washed while you eat breakfast, and watch an electric wringer do them in a twinkling after breakfast.

Women in general understand the use of and appreciate an **Electric Curling Iron**.

Unnumerable other devices of a serviceable and inexpensive nature are on the market, and anyone who stops to think the matter over will appreciate the fact that a shortening of the cordwood bill will more than equal the lengthening of Electric Light bill.

If you have a lighting service you will note that you get the Electricity for operating these devices mostly on a very low rate.

Besides this look at the difference in temperature in the rooms.

Just take a minute some time and figure the cost of the wood consumed for washing and ironing alone.

If the supply house don't carry a stock of what you want, we will get it for you.

BAPTIST SINGER PASSES BAD CHECKS

Arriving at The Dalles three weeks ago and representing himself to be the principal of the Anacortes (Wash.) high school and telling Rev. G. S. Clevenger of the Baptist church that he intended to spend the summer vacation in that city and that he wanted to help in church work, Marion S. Taylor, a Baptist singer, made his get-away with some of the church people's money but was caught before he could leave the city. He is now behind the bars of the county jail, being held on the charge of obtaining money under false pretenses.

Taylor according to The Dalles Chronicle had checks cashed at different business houses Thursday for the following amounts: A. E. Lake, \$12.50; Independent Meat Company, \$10; Hotel Albert, \$10; "Phettyplace" Kandy Kitchen, \$5; Cramer Brothers, \$12.50; Mrs. Bayard's, \$15. He drew the checks on the First National bank. The one tendered at the Lake store was taken to the bank soon after it was presented and it was found that Taylor had no funds there. The matter was reported to Deputy Sheriff Glenn O. Allen and Taylor was found. He stated that he had made a mistake, that he intended to change the name on the check so that the money would be drawn on the Citizens' bank of Anacortes. He made good the check and the matter was dropped. However, the officers were later informed that other checks had been cashed and Taylor was then arrested, a wire being received from the Anacortes bank that he had no funds there. He signed the name of Marion Cross when he cashed the check at the Independent Meat market.

Taylor is about 18 years of age and is a bright young man, being well educated. He dresses well and has a refined and pleasing appearance. In speaking of the matter, Rev. G. S. Clevenger said:

"The young man came here about three weeks ago. He said that he was principal of the Anacortes high school and that he wanted to find something to do in this city while spending his vacation here. I can't understand the case. Taylor is an exceedingly bright fellow and is well educated and why he would try to work the game he did is hard to understand for he is bright enough to know that he was almost sure to be detected. The boy is a fine singer and musical leader and is an accomplished organ and piano player."

The prisoner told Sheriff Chrisman several different stories. One was to the effect that he intended to go to Portland, that he planned to meet Billy Sunday, the noted evangelist, in the Rose city, hoping to secure a position with him as a singer.

An Unusual Amount of Painting Done This Spring

"Everything comes to those who hustle while they wait" seems to be the motto adopted by our energetic merchant, E. A. Franz, for he has certainly been hustling this spring.

In backing up his excellent advertising in the columns of the Hood River News the handsome window displays have proved most effective. According to a conversation with one of our reporters there has been an unusual amount of painting done in Hood River this spring. That's a sign of prosperity we're very glad to see.

This week floor paint is the leader in their window. How an old scratched floor or marred bare floor can be given a hard, serviceable, easily-kept-clean surface is clearly shown by the sample they display."
