**BIG CELEBRATION AT THE DALLES ON 4TH**

The committee in charge of the Fourth of July celebration at The Dalles announce a big time. There will be two league baseball games, one Sunday afternoon and another Monday morning, between the team from Hood River and the locals. These two games will decide the championship of the Columbia river league and should be a drawing card as both will be hotly contested.

Arrangements are being made for announcing the progress of the Jeffries-Johnson fight by rounds from the grandstand. Monday morning the Fourth will be greeted with the roar of cannon. At 11 o'clock the address of the day and the reading of the Declaration of Independence will take place in the city park.

A big automobile parade with at least 75 machines in line is promised, and a liberal prize has been offered for the most elaborately decorated automobile.

At 2 o'clock the firemen's hose races will take place. Three teams will compete, Hood River, Dufur and The Dalles. There will also be a number of foot races.

Three bands, Hood River, The Dalles and Dufur, will furnish the music. Two concerts will be given, one in the morning at 10 o'clock and the other in the evening at 8 o'clock. At 9 o'clock a grand free ball will be held at the Vogt theatre. Birgfeld's orchestra will furnish the music.

**URGES APPLE SHIPPERS TO ATTEND CONVENTION**

A Chicago dispatch in the Produce News says that W. L. Wagner, president of the Apple Shipper's Ass'n, with his usual energy, is stirring up the members to keep in mind the next convention, at Niagara Falls, August 3-5, and to get busy on all association matters and business. In a circular letter of June 11, President Wagner calls attention to some important topics for the attention of the members. Some of the important ones, summarized, are:

The newspapers have accomplished much in the way of destroying the demand for apples next fall through their advice to the consuming public that because of frosts in a restricted area, fruit would be scarce and high. They have the grower of the east convinced that there is no fruit in the west, and the grower of the west is sure that there is no fruit in the east, while the consumer is certain there is no fruit anywhere. This condition must be overcome. Crop reports should be made to John W. Low, Chicago, chairman of the crop committee.

New members are highly desired, and all old members are urged to work to get accessions. J. M. McConch, Huntington, W. Va., chairman of the committee on grades, wants all the suggestions anyone has to offer. W. H. Bahnburg, New York, likewise is on the lookout for any one's views relative to short barrels.

Everybody is urged to attend the convention and if Mr. Wagner's efforts are one-fourth rewarded, it will be the best convention yet held by the association.

**Deafness Cannot be Cured**  
 by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. Cheney & Co. Toledo, Ohio. Sold by all druggists, 75c. Take Hall's Family Pills for constipation.

**Tremendous Freight Traffic**  
 Charles Lowe, who is freighting between Shaniko and Bend, reports that when he stopped at Bolter's last Friday night there were 40 rigs tied up there, averaging 6 horses each. At Shaniko he says he saw 180 head of horses tied in the street, every stable in town being filled to capacity. During the rains every garage was "chock-a-block" and autos were kept on the sidewalk in front of the Columbia Southern hotel under shelter—Bend Bulletin.

**Trixy Burned to Death**  
 Editor News:—In answer to inquiry from Bernard Martha concerning Trixy, the circus horse, will say that she was burned to death in a fire in New Jersey about six months ago. SUBSCRIBER.

**MARRIED**

**CARTER-MORTIMER**  
 The culmination of a romance of the Hood River apple district was solemnized Wednesday afternoon when Miss Lulu Mortimer and Robert Carter were married in the parlors of the Hotel Portland by the Rev. H. M. Ramsey, rector of St. Stephen's church, says the Oregonian. The engagement had been announced several weeks ago to Hood River friends, but the wedding was fixed for a date in early July. Accompanied by the bride's mother, the couple came to Portland Wednesday morning and preparations for the wedding were made speedily.

Mrs. Carter is the daughter of Mrs. Doletha Mortimer, of Redwood, Minn., and the bridegroom is the son of Mrs. J. M. Westcott, of Richmond, Ind. The ceremony at the Portland was witnessed by Mrs. Mortimer, by the bride's aunt, Mrs. Martha Johnson, of Spring Valley, Minn., Henry Bulla, a boyhood friend of the bridegroom from Richmond, and H. S. Carter, an eastern theatrical man and brother of the bridegroom. The couple left at midnight for an extended tour of Canada and on their return will make their home in Hood River, where prior to their marriage each had lived less than a year.

Mr. and Mrs. Carter are well known at Hood River, the former having been connected with the Stewart Hardware Company for some time and the latter one of the attractive and popular young ladies of the valley.

**Had Horses Insured**  
 Chas. N. Clarke, proprietor of the Glacier Pharmacy, recently lost his driving mare "Nellie Hansen" from puerperal fever. This mare was a valuable animal, sired by Santa Anna with a record of 2:24. Thomas E. Avery also lost one of his mares named "Dollie," which was found dead in the barn on the morning of May 8, the cause of death being unknown.

These gentlemen are both fortunate in having their animals insured with the National Live Stock Insurance Association, of Portland, therefore their financial loss was not a heavy one. This association is represented in Hood River by Dr. M. E. Welch.

**Improving Valley Christian Church**  
 The Valley Christian Church in the Barrett district is being improved. The church will be raised and a full basement built under it for Sunday school work and as a meeting place for the ladies' aid society and other organizations connected with the church. Rev. Isaac Peart, the new pastor, is creating more interest in church work and the larger quarters are necessary to care for a larger membership.

"It cured me," or "It saved the life of my child," are the expressions you hear every day about Chamberlain's Colic, Cholera and Diarrhoea Remedy. This is true the world over where this valuable remedy has been introduced. No other medicine in use for diarrhoea or bowel complaints has received such general approval. The secret of the success of Chamberlain's Colic, Cholera and Diarrhoea Remedy is that it cures. Sold by all dealers.

Money to loan. Apply to Geo. D. Culbertson & Co.
