It Tickles Us
to know that our drugs have been weighed in the balance of popular favor and have not been found wanting. No fault has been found with their quality. There couldn't be. No fault has been found with our prices. The latter are based on a pure drug service and a modest idea of profit. We want to sell you honest drugs at honest prices. Can we?

CAPTAIN SHERMAN TO OPERATE SPENCER
Captain Spencer, who has been in charge of the steamer Spencer, was here Saturday and says that this popular river boat will be placed in the hands of Capt. Sherman for the rest of the season. In fact Capt. Spencer was here for the purpose of securing the services of Capt. Sherman, who was out on his ranch.

The Spencer will make the round trip from Portland to Hood River everyday except Wednesday and Sunday. She will leave Portland at 8 a. m. arriving at Hood River at 2:45. Leaving here at 3 p. m. the Spencer will arrive at 8:15 p. m., giving the passengers the ride on the river both ways in daylight and getting to Portland early in the evening.

MOSIER
Mr. and Mrs. Osborne and family made a business trip to Hood River Thursday.

Mr. and Mrs. W. E. Chown left Friday to spend the 4th with relatives in Portland.

Miss Grace Husbands came up from Portland Friday to spend the summer with relatives.

A large number of Mosierites spent the 4th at The Dalles, quite a crowd going up on Sunday to see the ball game.

Mrs. Geo. Sellinger and family moved their household goods to Mosier this week and will make this their home, at least part of the time.

Mr. and Mrs. G. L. Carroll returned Saturday from Turner, Oregon, where they had been attending a convention of the Christian church, Mr. Carroll being a delegate.

W. A. Husbands left Thursday morning for Seabright, Cal., in company with his brothers Rob and Tom to spend the 4th with their parents, Mr. and Mrs. S. R. Husbands.

At a special school meeting held Saturday to determine whether or not we have more school room it was voted that two more rooms be put on and finished right away, only one to be occupied at present, making it necessary to hire the third teacher. This will mean a better school training for the children and patrons as well as teachers are well pleased.

A quiet wedding was solemnized at 2 p. m., June 28, in the Christian church when Ralph M. Duvall and Miss Flossy Bailey were united in marriage by Rev. H. C. Clark, only relatives and a few friends being present. The young couple have lived here most of their lives and have many friends who wish them a happy married life. They went to Canby, Ore., where the groom has prepared a nice little home.

VALLEY CREST
George W. Blodgett spent several days in Hood River the past week.

Miss Lissle C. Farmer of Portland made a short call at her ranch last week.

Ferdinand Struck spent Sunday with his parents in the lower valley.

Mrs. Monroe and son of Portland have come for an extended visit with George Monroe.

Peanuts in the Zoo.
"I am perfectly used," remarked a visitor to the zoo, "to seeing monkeys and elephants eat peanuts. And I do not think it strange that the toucans relish them, for they are very like a parrot. But when it comes down to polar bears, buffaloes, wild dogs and rhinoceroses liking peanuts it disturbs my ideas of wild animals." Peanuts, however, seem to furnish the finest of dainties to even the "wildest" animals in the zoo. The deer, antelopes, brown bears, ducks, golden pheasants and all the animals there, except perhaps the lions, tigers and eagles, eat peanuts. The peanut seems to have charms to soothe the savage breast.—New York Tribune.

Unfortunate Jealousy.
An American visiting the Jardin des Plantes in Paris after much amusing conversation with a loquacious guide said, "It seems to me that giraffe is an unusually thin one, although all of them are thin enough."

"But surely he is of an extraordinary thinness," said the guide, looking at the giraffe with an air of affectionate solicitude. "And they say he grows ever thinner. For myself, I believe it is his pride that so affects him. He sees the obelisk and the Eiffel tower, monsieur, and he is jealous of them. What would you have? He is jealous, and therefore he starves himself and grows continually less."—Youth's Companion.

A Pleasant Surprise.
A small boy of Washington square, brought up by a fire eating father to hate anything connected with England or the English, was consigned recently to eat dinner in the kitchen with his nurse while the family entertained a genuine M. P. in the dining room. The grownups' meal had come to that "twenty minutes past" stage where conversation halts direfully when a childish treble fell upon the horrified diners' ears piping up the dumb waiter shaft from the kitchen. This was what the astonished M. P. heard:

Fe, fi, fo, fum,
I smell the blood of an Englishman.
—New York Sun.

Her Voice.
Alice (an amateur vocalist)—If you had my voice what would you do with it?
Jessie—I don't know, dear, but I believe I would give it a holiday till the man came round; then I would have it tuned.

Hood River Light & Power Company

If you want quick returns on your wife's life insurance policy, just forget all the Labor Saving, Money Saving and Time Saving Electrical devices on the market at the present time.

With an **Electric Chafing Dish, a Percolator and a Toaster** you can prepare a good breakfast or a midnight lunch in 7 minutes to 10 minutes from the time you enter the kitchen.

With an **Electric Washing Machine** you can put clothes to soak at night, listen to them being washed while you eat breakfast, and watch an electric wringer do them in a twinkling after breakfast.

Women in general understand the use of and appreciate an **Electric Curling Iron**.

Innumerable other devices of a serviceable and inexpensive nature are on the market, and anyone who stops to think the matter over will appreciate the fact that a shortening of the endwood bill will more than equal the lengthening of Electric Light bill.

If you have a lighting service you will note that you get the Electricity for operating these devices mostly on a very low rate.

Besides this look at the difference in temperature in the rooms.

Just take a minute some time and figure the cost of the wood consumed for washing and ironing alone.

If the supply house don't carry a stock of what you want, we will get it for you.
