# THE FAMOUS PREACHER OF THE CITY OF CHURCHES.

**Pastor Russell of the Brooklyn Tabernacle---America's Ubiquitous Preacher---His Remarkable Foreign Tour and His Return. Comments of Foreign Journals on His Work.**

[From the London (England) Christian Globe, May 5, 1910.]  
**S**INCE the days of Henry Ward Beecher and Dr. Talmage no preacher has occupied so prominent a position in the United States of America as Pastor Russell of the Brooklyn Tabernacle, who has been the principal speaker at the meetings of the International Bible Students' association's meetings, which are to be held at the Albert hall on the evening of Sunday next and the two following Sundays. He will in addition visit during the next three weeks the principal cities of strength and his great powers of oratory to the molding of public thought "with malice toward none, with charity for all." Above all, the pastor may be described as strictly orthodox. Although Pastor Russell holds to the Bible tenaciously, he claims to have

## PASTOR RUSSELL SPEAKING IN ROYAL ALBERT HALL.

The Royal Albert hall, London, England, is the largest and finest auditorium in the world. It was here that Pastor Russell delivered his now famous remarks of consolation and comfort to the bereaved royal family of the late King Edward VII. Pastor Russell was the principal speaker in the three Royal Albert hall 1910 Sunday May meetings of the International Bible Students' Association held May 8, 15 and 22 respectively. His opening remarks

on the Sunday evening following the death of King Edward VII. were well received by the British public, being called to and published by the various leading papers in New York city. During his European tour the principal London and New York newspapers made very favorable comments concerning Pastor Russell and his work.

and towns in England, Scotland and Ireland. Like Beecher and Talmage, both of the same City of Churches, Pastor Russell is an independent teacher, not allied to any particular denominational organization, giving his time, his proved that on some points it has been misunderstood by both friends and foes. In his search for a basis upon which to build his hope for future bliss he undertook a lengthy investigation of the claims of Confucius, Mohammed, Buddha and other founders of religion. These he found to be unsatisfactory to either heart or head. Almost without hope, he took up the systematic study of the question of the punishment for sin. His findings were such as to restore perfect confidence in the Bible as God's inspired word and revelation.

## Will Carry the Gospel to Sailors of New York on Gift Yacht.

[From the New York Evening Journal, June 9, 1910.]  
 Pastor Russell of the Peoples Pulpit Association today declared that he would use the yacht Angel, presented to him by his association, to carry the gospel to the sailors of New York harbor, and, although complete arrangements have not been made for the work, he said there was no reason for questioning the efficacy of his plan.  
 "I have in my plans," he said, "one to make a mission boat of the Angel, preaching the gospel on her decks every night of the week in a different language, carrying the Word to sailors of all nations."  
 "A practical plan would be to moor the yacht at different points nightly and advertise meetings for sailors. Sermons could be in English, German, Swedish, Italian and the tongues of other seafaring nations."  
 The Angel is 125 feet over all and uses both sails and masts. Seventy persons can find accommodations in her cabin and more on her deck during fair weather. Pastor Russell accepted the Angel, he said, not for himself, but as a trustee for the association.
