The Upper Valley Progressive Association held its monthly meeting in the Valley Crest school house Monday evening, September 19th. The meeting was well attended. SECRETARY.

A Novel Apple Display

Many fine apple exhibits are now noticed on display about town. It seems as if local fruit was never more highly colored than this year, nor more perfect in shape. One of the most unique can now be seen exhibited in the window of Clarke's drug store, where it was placed by W. R. Winans. Mr. Winans has endeavored to portray a Garden of Eden made of apples, with Adam, Eve, the insidious serpent and other features.

Services will be conducted next Sunday at the Congregational church at 11 a. m. and 7:30 p. m., by Rev. H. C. Lowden, of Underwood. Mr. Lowden is pastor of Congregational churches at Stevenson and Underwood, and formerly pastor of a Congregational church at Providence, R. I.

Clarence Thielen of Riceville, Ia., arrived here Friday and is visiting friends.

An Invitation.

A good story is told of an elder in an English church who on one occasion had to take the pulpit in the absence of the minister at the last moment. He got through the first part of the service all right, but on getting up to give the sermon he found his difficulty then. He started with, "Brethren (pause)—b-b-brethren (pause)—b-b-b-brethren, if any of you wants the conceit taken out of you come up here."

A Change.

"We must economize," he said peremptorily.

"I'm so glad!" his wife exclaimed.

"You take the announcement more good naturedly than usual."

"Yes; it's pleasant to hear you use the plural pronoun. Ordinarily when there is any economizing needed you expect me to do it all."

Disappointing.

Bill—Did you say his first song was disappointing? Jill—Yes. He sang "I Am Going Far Away, Far Away to Leave You Now," and he didn't go.—Yonkers Statesman.

Genius.

Genius is in advance. It addresses posterity. Is it to be wondered at, then, that it is mostly intelligible to posterity only?—London Truth.
