### MARRIED

POWELL-MARSH

Last Sunday at two o'clock, a Trenton, Neb., paper notes, H. Walter Powell, son of the county attorney, and Miss Hazel Marsh, both of Trenton, were united in marriage at the Methodist parsonage. Miss Effie Powell, sister of the groom, and Mr. and Mrs. Carl Marsh were the witnesses. Mr. and Mrs. Powell left on the evening train for an extended trip on the Pacific coast, after which they will make their home in Oregon.

Mr. Powell is a nephew of Mrs. E. D. Homewood of this city and cousin of B. B. Powell and C. S. True. He intends to make Hood River his future home.

### Home of Buckwheat, Not Apples

The editor of the Brookville Republican, a paper published in one of Pennsylvania's thriving districts, and formerly the home of a number of Hood River's progressive citizens, after noting that a big land show will be held shortly in Pittsburg to exploit the agricultural excellencies of the West, says that the state secretary of agriculture believes that Pennsylvania can show finer apples than can be shown by the West at the Smoky City. He further remarks that "the far-famed Oregon apple compares in juiciness and flavor with the best of the Jefferson county product like a red leather boot top to a home-grown buckwheat cake."

For buckwheat cakes, hoop poles and hickory, we yield the palm to Jefferson county, but not for apples, pears, or peaches. It is evident that this loyal Pennsylvania editor knows not of the western fruits, or else he's fudging. He should be extended an invitation to the Hood River fruit fair.

### Reception to Rev. McOmber

A reception will be given Friday evening at the residence of Mr. and Mrs. E. O. Hall to Rev. E. McOmber and family. Mr. McOmber is the new pastor of the Methodist church and Mr. and Mrs. Hall will make the occasion one to make the pastor and his family acquainted with Hood River people generally. Guests will be received at 8 o'clock and members and friends of the church as well as others, are cordially invited to attend.

### Engagement Announced

The formal engagement was announced Monday by Mrs. Etta Bancroft of her daughter, Irene Bancroft to Leonard K. Armstrong. The date of the wedding has not been announced, but it is whispered that it will take place in the very near future.

Hoarseness in a child subject to croup is a sure indication of the approach of the disease. If Chamberlain's Cough Remedy is given at once, or even after the croupy cough has appeared, it will prevent the attack. Contains no poison. Sold by all dealers.

### To Make an Impression.

Mr. Fargone—My dear friend, I am in despair. That girl's heart is as hard as steel. I can make no impression on it.

Friend—You don't go at it in the right way. Try diamonds. They are harder than steel.

### Just the Sight of Him.

Fan—Reggie has been engaged to any number of girls, but he always gets out of it.

Flo—How?  
Fan—Oh, he merely goes and asks the father's consent, and that settles it.

## WILL TRY TO PREVENT JAP-AMERICAN MARRIAGES

Seattle, which for the last year or two has been the Mecca for alliances between Japanese and American couples who could not marry in California, has been cut off from the unpleasant business of marrying whites and orientals by the action of County Auditor Case, in refusing licenses for such weddings until time is taken for a careful investigation.

There is no law against such marriages in Washington, so the auditor could not positively refuse to issue licenses, but he has the authority to investigate any application made. As the Jap-American couples generally do not care for delay or investigation, they are hastening elsewhere to get the permits to wed.

It is likely that the next legislature will be asked to pass a law making such marriages illegal in that state. As many as three couples, Japanese and American girls, have appeared at the auditor's office at Seattle in one week, asking for licenses.

### Davidson Fruit Co. Ready for Apples

The Davidson Fruit Co. has just closed the strawberry season, having handled some 25,000 crates which netted here at Hood River \$2.33 per crate, giving their customers an increased profit of 20c per crate, or about \$5,000 over other shippers.

This firm will be in the apple deal and expect to maintain their good reputation by giving their customers satisfaction.

Those having crops of fancy apples will no doubt put money into their pockets by arranging with the Davidson Fruit Co. to handle their fruit.  
Phone them at 65 or call at the office at the foot of Third street, Hood River, Oregon.\*
