## VEHICLES

We have a line of vehicles which we are very proud to display. Our prices are right--the goods are the best that money can buy. Made by the leading vehicle manufacturers of the country, *The John Deere Plow Company* and *Studebaker*. Our vehicle repository is on the upper floor. If you don't see exactly what you want on the floor, ask for it.

## AUTOMOBILES AND SUPPLIES

Come in and see what we have in the supply line that you need. Very often you need just some little tool--inexpensive, but very convenient--something you didn't know you really needed. We have a number of such articles--folding funnels, folding water buckets, pressure guages for tires, three-in-one valve tools, oil guns, etc.
