**LOCAL HIGH SCHOOL  
DEBATERS SELECTED**

The debating tryout was held Friday night and the team selected to represent Hood River in the coming contests. In all there were fourteen debaters and they are said to have shown a great deal of proficiency. The judges, besides the faculty of the school, were Mrs. R. D. Gould, who represented the Woman's Club, Attorney F. C. Howell and Rev. J. R. Hargreaves.

The successful candidates are Earl Spaulding, Lester Murphy, Lynn Young, Forest Moe, Viola Nickelsen and Hazel Cartam. The question to be debated is, "Resolved, That the Chinese exclusion act should include all Asiatic peoples."

It is expected that Hood River will put a better team in the field this year, to compete with the other schools, than it has ever had, and that the contests will be much more interesting. About twice as many schools will enter. Last year the debates ended in a fizzle after Hood River had secured an advantage by defeating Parkplace. Through attempted unfair management the series of debates could not be continued. It is expected that the management this year will be impartial and effective, and it is hoped that the local team will emerge from the contests with honors.

**MOSIER**

Miss Agnes Phillips and niece, Helen Husbands, came up from Portland Thursday to spend a week with the home folks.

Mrs. P. S. Hughes and two sons left Friday for Oakland, Calif. to spend the winter with relatives.

Clarence Dunsmore has purchased the butcher shop of D. P. Harvey.

The O. R. & N. Co. is doing some fine work grading Washington street and making other improvements.

The basket social Saturday evening was one of the biggest things ever held in Mosier. The program was par excellence and the auctioning of the baskets by Nick Johnson was fast and to the point. Nearly 50 baskets were sold, the net proceeds being something over \$300, which will be used to erect a fruit exhibit building near the depot. Too much praise cannot be given the Commercial Club for their untiring efforts in this work.

F. G. Husbands of Hood River made a short visit Sunday with his brother Wallace.
