The Evolution of Booster Bill

II.—Bill Sits Up and Thinks

Bill Blue was such a grumbly sort we called him "OLD BILL GROUCH" for short.

Since short he was in speech and look and soon got short in pocketbook.

Said Bill, "This town is on the bum, its stores are punk, its climate rum, and then the people he ran down Made Bill look bummer than the town."

His business they put on the blink, And this made Bill sit up and think, "THE MAN WHO KNOCKS," said he, " 'Tis plain, GETS HIS by being knocked again." Bill changed his tune that very day. Since then the world has come his way, His coffers soon began to fill, Now we're all friends of "Booster Bill."
