FOOT BALL GAME SAVED BY FRANZ

The football game between The Dalles High School Freshmen and Hood River High School Freshmen was one of the fastest games ever played on the local gridiron.

The game was saved in the last 15 seconds of playing, by Edgar Franz, of the Hood River team.

It was a clean, fair game throughout and there was no disputing or quarreling.

The Dalles team had the ball going their way for the first three quarters. In the last quarter, with only 15 seconds to play, the Hood River team held their opponents down in good shape and allowed Edgar Franz to drop kick to goal, tying the score, 3 to 3. Both teams were evenly matched.

The stars for Hood River were Edgar Franz and Sherrieb, whose end runs and center rushes saved the day.

Eltson, Moore and Egbert were the stars for The Dalles.

The Hood River boys are going to The Dalles on Friday, Dec. 2nd, for another game.

PINE GROVE GRANGE

The members of Pine Grove Grange who so courageously braved the storm on Saturday night to attend the grange meeting were amply repaid for the effort, as we had one of the most enjoyable times of the year.

After the usual routine of business, the meeting was turned over to the worthy lecturer, who had prepared another of her interesting programs.

Among the many good things was a humorous recitation given by Miss Lulu Hunt in her usual happy style, followed by a ballad by Miss Doris Hamer.

The origin of Thanksgiving was very entertainingly told us in verse by Miss Maggie Cochran.

There was a general discussion on subjects of interest to grangers and non-grangers alike. Among the subjects was the need of a telephone in the O. R. & N. freight house, also a telephone—service free to all—in the postmaster's office, and the better roads question.

The question box offered many good things for discussion and thought, ranging from agricultural topics to the present political situation.

Mr. Mason's report of the National Apple Show at Spokane was listened to with great interest, and many wished they had been there to boost for sturdy Hood River.

Reports show great enthusiasm regarding the Lyceum entertainment course, of which Bess Gearhart Morrison, an interpretive reader, who gives a program at the grange hall Saturday night, is the first number. "Ye Old Towne Quartette" is the second number in the course and is due here December 27th.

The serving of light refreshments brought to a close an evening profitably and entertainingly spent.

OREGON APPLES UNKNOWN IN EAST

As showing the geographical ignorance of many of the people of the Middle West with regard to Oregon, Seneca C. Beach, census enumerator for Portland, tells of an interesting experience in St. Louis, when passing through that place last week.

"I missed my connection," said Mr. Beach yesterday, "with the western train out of St. Louis, owing to a wreck in Ohio, and to pass away the time before the coast train left, I walked down in the fruit-selling section of the city. I stopped in front of one stand where something like 30 different varieties of apples were shown for sale. They were the products of Arkansas, Texas, Missouri, Iowa and Kansas. I asked the attendant if he had any Oregon apples."

"Oregon?" he asked, after scratching his head, and evidently doubtful as to whether it was the name of a South Sea island or that of a elder factory.

"Yes," said I.

"No, we have no Oregon apples," was his reply. "We have the best apples in the world on our stand across the street. They can beat the—what you call it—Oregon apples all to smithereens."

"What are they called?" I asked.

"Why, and here he looked sympathetically at me as if pitying me for my ignorance, 'they are the Hood River apple.'"

"I did not even enlighten him," concluded Mr. Beach.

Card of Thanks

Words cannot express the loving gratitude we feel toward the many kind friends who gave us so freely of their love and sympathy when our beloved son and brother was called from our home. Especially will the thoughtful kindness of the members of the high school and Barren class linger among the beautiful memories of the one who loved them both so much.

Change in Time of Train

Train No. 1, Pendleton Local going west, now arrives at 3:05 p. m. at Hood River and gets into Portland at 5:45 p. m.

Mr. and Mrs. Glenn Fabrick were up from Medford Monday to attend the funeral of Mrs. C. G. Roberts.

DIED

MARY L. ROGERS.
Mrs. Mary L. Rogers, wife of C. G. Rogers, died Saturday, November 19, in Portland, and was brought to Hood River for burial Monday. The funeral services were conducted at St. Mark's Episcopal church, with interment in Idlewild cemetery.

Mrs. Roberts, whose home has been at Tanglefoot ranch, near Whitus for some years, was well and favorably known in Hood River, as was attested by the many beautiful floral offerings. She had been a sufferer from tuberculosis for some time and her patience and cheerfulness won for her many friends who will sincerely mourn her loss. Besides her husband, Mrs. Rogers leaves four daughters and three sons, most of whom, together with a sister, were present at the funeral.

HARRIET L. WEST.
Mrs. Harriet L. West, mother of Mrs. C. D. Kanaga, with whom she has been visiting for several weeks, died Sunday morning, Nov. 20th, as result of gall stone. She had been a sufferer for some time and had but recently undergone an operation with the hope of being relieved. Besides her daughter in Hood River Mrs. West leaves a daughter in Charlevoix, Mich., to which place the body was shipped Monday, accompanied by Mrs. Kanaga.
