

# We Extend To You

# A Hearty Invitation

## To Make Our Store Your HEADQUARTERS

## During the FRUIT FAIR

We have made a special effort to have all the 1911 models of machines and tools on exhibition.

Come in and see the new Hardie Power Sprayer at work; The 1911 Chalmers Thirty Touring Car; The latest designed Indian Motor Cycle; The new extension Discs, and numerous other things. It is a good time now to get a line on your Spring wants.

To those already owning Hardie Power Sprayers, we wish particularly to show the improvements, and explain how we can equip your old machines with them at little expense.

Do you know we sell Studebaker Harness? We would take particular delight in quoting you prices on anything you may need in the Spring.

Why not take this opportunity to find out something about our line of Automobiles?
