"Business Men's Ticket"
Two tickets will be in the field for the consideration of the voters of the city next week. The "Business Men's Ticket" has the most hearty endorsement of the News for the following reasons:
1st. It is headed by an able attorney whose acts as mayor will be in conformity to law and the taxpayer will be greatly benefited through a legally correct administration.
2nd. The ticket is composed of

men who have not mixed up in the water fight and who are in a position to deal with the water question on its merits and as the people may desire by their vote.
3rd. The ticket contains names of men who are in favor of city street improvements and the advancement of the city's interests in general.
E. H. Hartwig, who is the candidate for mayor, is well known to the citizens of Hood River. He is at present deputy prosecuting attorney and secretary of the Business Men's

Association. He is a man who has the courage of his convictions and who would make a splendid executive officer.
Messrs. C. K. Marshall, H. C. Smith and Jas. Stranahan, who are named on the ticket for councilmen, are well known business men of this city and the fact that they do not belong to any "clique" or "clan" places them in position to serve the city in a most acceptable manner.
A. W. Onthank, who is the nominee for recorder, is at present city school clerk and an old time resident of the city. His election to office would mean a most efficient discharge of the duties of his office.
A. C. Cass, the nominee for treasurer is a well known citizen and fully qualified for the office.
The business men who had charge of the circulating of the petition for the "Business Men's Ticket" met with most flattering results during the brief period they spent in securing names. The petition carries about 80 names of representative business men. We would urge all our readers to vote for the "Business Men's Ticket."

room has been prepared, and will be opened Thursday evening. A large attendance is asked for, to give encouragement to this much-needed enterprise. A library is also to be established, and to initiate this, each one is requested to bring a book, new or old. This is worthy the support of Hood River.
H. A. MACDONALD, Sec'y.

Mr. and Mrs. Woodburn returned Saturday from Eastern Oregon, where they spent a week with their guns. Mrs. Woodburn not only endured the hardships of climbing long and steep hills, crouching in pits and fences covered with weeds, but succeeded in bringing down her share of the feathery tribe. Mr. and Mrs.

Woodburn had a fine time and if all is well, will put in a month or more next year, going in their car and camping out. They will go prepared to hunt coyote, of which they saw several.

Nobody Knows
"O Lord how long?" I have lived in Hood River for several years and have been fighting for water ever since I have been here, and if my memory is right it seems to me that the city council has been scrapping the water company for the past six years and they haven't a drop of water yet. I guess that it's about time that they give up the ghost and turn the administration over to some one who will quit the everlasting scrapping and get down to business. I don't think that the city will ever get a water system through a council that is always on the fight. Let's elect a new council and give them a chance.
A COMMON VOTER.

Evans Leads Fight
N. C. Evans is leading the fight for the re-election of our present mayor. Voters should not forget that a vote for McDonald and his associates is a vote for Evans, and in favor of keeping the city behind Evans in his litigation with the old water company. Another thing should be remembered. The mayor and council can do nothing in the way of buying the present water system until the question has been submitted to and ratified by the voters of the city. No matter who is mayor or who are councilmen the people will decide all such questions. SUBSCRIBER.
