

Winter Is Here In Earnest

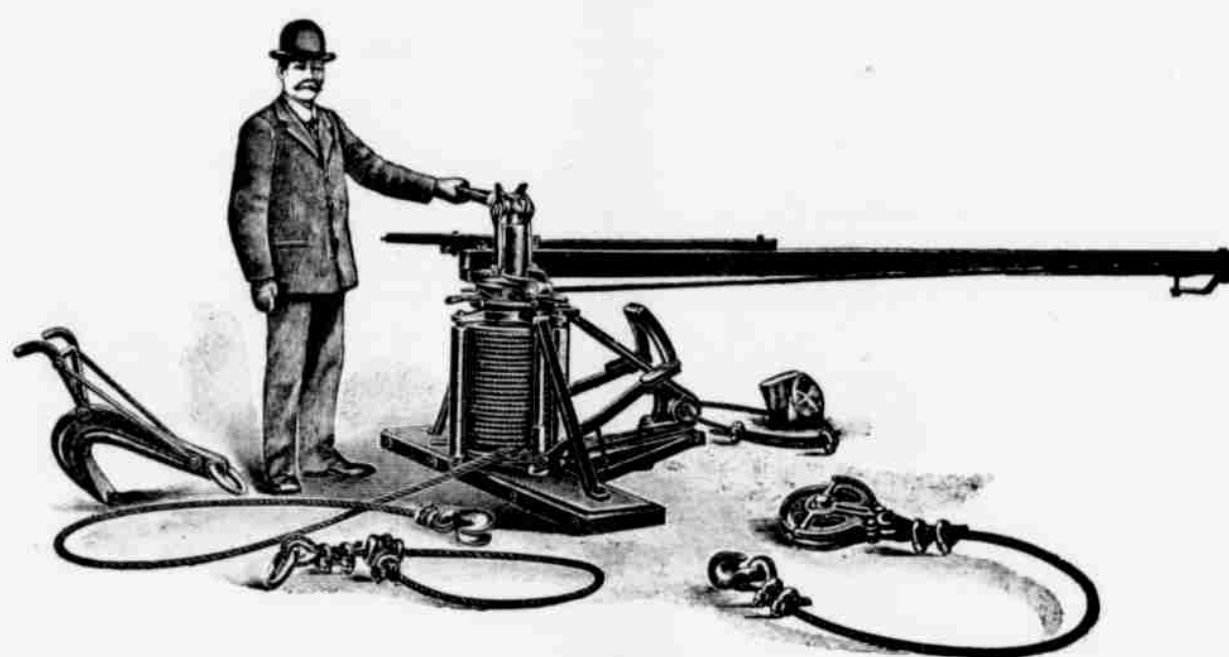

And It's About Time To Get Busy on Winter Wants

Are you figuring on doing some clearing while you have a chance? Don't fail to figure on the **FAULTLESS STUMP PULLER**. We show here a cut of it, which illustrates the comparative height of the machine. No use in our wasting valuable space in telling you about it—although we want you to know we are exclusive agents.

*If You Are Not
Already Familiar*

with this machine,
come in and ask us—
or, better still,
ask the man who
owns one.

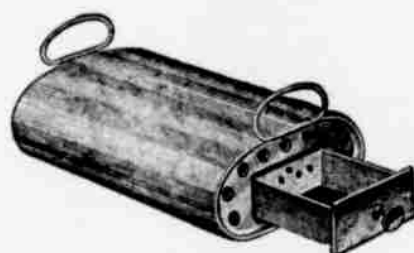

*There Are More
Faultless Machines*

in use in the
Hood River Valley
than all
other kinds
combined.

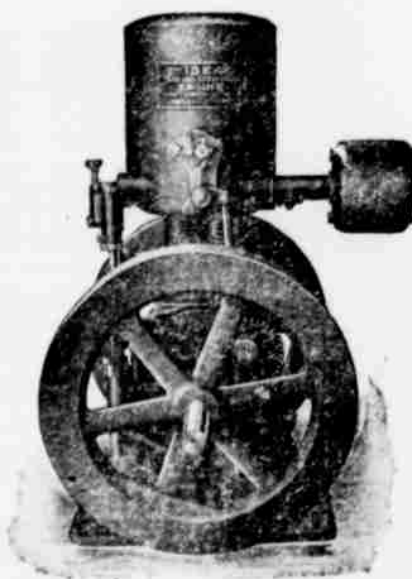

DON'T GET COLD FEET

When you can buy one of our carriage heaters at such a modest price. We have a beautiful stock of Clark's Heaters—and the prices are right.

IDEAL GAS ENGINES

are suitable for every purpose. This is the engine used on our Hardie Power Sprayer. It is water cooled, requiring no separate tank for gasoline.

They can't freeze and break the cylinder—if they do, we guarantee a new one free of cost to you. Made in various sizes from 1/2 H. P. to 8 H. P., prices ranging
