## 20 Acres

Fine Red Shot Soil Hood River Apple Land in the Famous Oak Grove District

Ten miles out in the southwest part of the Hood River Valley, Hood River, Oregon.

The tract is partly improved with 5 acres in young commercial orchard, has fairly good house, barns, etc., and a fine spring well which is capable of being developed sufficiently to irrigate 40 or more acres. This tract is in the best apple section in the valley composed of all red shot soil. The surrounding country is being rapidly developed and growing into big money.

Gray, 231 Arcade Annex, Seattle, Washington, will be cheerfully answered, giving information concerning the above unequalled educational stories for young people from the ages of four to twenty.

## The Evolution of Booster Bill

### VI.—He Decides to Buy a Home

When Bill Blue had to buy of yore it made his tightwad spirit sore, So these times, be it understood, He made as seldom as he could.

His cash to no home merchant went. To a mail order house he sent. "These stores that we have here," said he, "Are robbers, but they can't rob me."

This made the local tradesmen blaze. They cried: "That rule will work both ways. IF BILL CUTS US, WHY, WE'LL CUT BILL. Till of that game he has his fill." It jarred Bill some. He said: "By Jack! If I spend here it may COME BACK." His dollars now no longer roam, But "Bill the Booster" buys at home.

# Do You Want to Buy Orchard Property ?
