PINE GROVE GRANGE HAS ACTIVE MEETING

Last Saturday was the first all day meeting of Pine Grove Grange held this season, and it certainly was a live one, judging from work done. The ladies of the Grange were busy preparing a chicken pie banquet while we had the live wires working on several economic questions.

The committee on securing public telephones at the freight depot and postoffice reported success in one and hope for the other. The following letter is self-explanatory:

Portland, Ore., Jan 4, 1911.
"Mr. A. I. Mason, Chairman Committee Pine Grove Grange—Dear Sir: Referring to visit of yourself and Mr. Jarvis to my office some time ago, regarding telephone service at the local freight house at Hood River, I take pleasure in advising you that the telephone has been reinstalled, with the view of giving to our patrons in that vicinity satisfactory service.
Yours truly,
"W. B. LAWSONSBURY,
"Asst. Gen. Freight Agent."

The following resolutions were adopted and sent to the Hood River Commercial Club, subject to their action:

Whereas, It has been found necessary by all progressive cities to establish free employment bureaus in order that the requirements of its citizens and those contributory to it may be supplied, and the influx of idle labor may be given employment, and

Whereas, The fruitgrowers of this valley are the foundation upon which the whole structure of our future progress rests, and their bountiful harvest means the advancement of both valley and towns there-in; and

Whereas, The City of Hood River is the most centrally located, relative to the incoming of transient labor, and possesses one of the best Commercial Clubs in the state, therefore be it

Resolved, By Pine Grove Grange, that the Hood River Commercial Club be solicited to operate an employment bureau with no charge to the one seeking employment; and be it further

Resolved, That wherever obtainable white labor shall be given first consideration.

Whereas, There are now prepared five Good Roads bills to be presented to our present Legislature, and the contents of said bills are practically unknown to the public; and

Whereas, a part of these bills, if ever made a law, will throw the whole Good Roads movement into factional politics; and

Whereas, A thorough understanding of the wording and the workings of these proposed laws would perhaps result in giving some instructions to our representatives in the Legislature, therefore be it

Resolved, That Pine Grove Grange cooperate with the Hood River Commercial Club in calling a Good Roads mass meeting in the Commercial Club's hall in Hood River, Friday, January 13th, at 1:30 p. m.

Although our Grange membership is not as large as it should be in this age of progress and cooperation, yet it never was in a better condition. The day was beautiful, the chicken

ple was excellent and plentiful, the work done by the Grange was very important, and everybody went home feeling that they had received a day of enjoyment as well as much mental improvement.

Our Question Box brought out much discussion. It is proving to be one of the most interesting features of our program.

WHITE SALMON

(From the Enterprise)
Hood River now claims an Indian over 100 years old; "Indian George," who was born over there, and planted the first Spitzbergen.

The 1910 census gives Klckitkat's population as 10,000; will be less in the next few years as the west end will be made into a new county.

C. D. Moore picked lady apples off his trees on New Year's day. There has been no frost to damage them, and these eatable little apples were in fine condition. Another proof of the mild weather was an apple blossom picked from a tree in the Kings-tadt orchard.

A. S. Gregg was happily surprised on New Year's day by receiving a badge and second prize in the competition at the Spokane Apple show for the best box of Spitzbergers. Mr. Gregg selected his box from eighteen that he picked from his five-year-old trees.

Henry Swanson and George Dutton of Bristol were in town Wednesday, coming down over the new Bristol cut-off, which saves them about two miles. The new road required about a quarter of a mile work, for which the county gave \$500, and \$900 was raised by subscription.

A mail sack that was thrown off the mail train recently was sucked under the wheels and cut in two. One lady had one of a new pair of shoes cut nearly in two. J. A. Henry got half of a box of cigars, sent as a Christmas present, and another White Salmon lady had a pair of false teeth cut in two.

A man named Sheldon recently moved into a small house back of Geo. Smith's residence and sent for his wife from Yakima. She arrived Sunday, and while he was at the Colburn hotel to get her, she broke out and destroyed the house and all the contents. The cause of the fire is unknown.

Miss Cameron, secretary of the Development League, is in receipt of a draft for \$100 from the S. P. & S. to aid in general advertisement of this section. The League also received a voucher from the road for the freight paid for apples to the National Show. This is an appreciable contribution, and shows that the road is taking a real interest.

A postal received from Los Angeles Dec 29, reports the White Salmon colony doing the aviation races. R. Field, Frank Gordon, A. W. Estes and H. W. Day were there with their field glasses, all coming to the conclusion that the airship is just the thing to show White Salmon real estate. Captain Cook, who left White Salmon with the intention of jassing the revolution down in Mexico, is reported at San Diego.

Chamberlain's Cough Remedy never disappoints those who use it for obstinate coughs, colds and irritations of the throat and lungs. It stands unrivalled as a remedy for all throat and lung diseases. Sold by all dealers.

TWENTY ACRES OF FINE WILLOW FLAT LAND SOLD

Twenty acres of fine unimproved land adjoining the place of N. W. Bone was sold last week by E. T. Folts to a Japanese employed as cook by Willie Van Horn. The price paid was \$4,500. The tract will be improved and set to orchard shortly. Another sale made by Folts was 40 acres belonging to himself, to S. H. Soule, located near Willow Flat. The land is unimproved, but will be put into cultivation.

ROSARIO WILL SHOW UP SPIRITUALISM FRIDAY NIGHT

Rosario, who comes to the Monroe Opera House next Friday night, promises to be the sensation of the week, when he will thoroughly expose the tricks and show up the so-called spirit mediums. None of the tricks of the "seers," clairvoyants, mediums and the like will be overlooked.

Rosario's tests are made upon a fully-lighted stage, and the phenomena that will be produced are double sealed slate writing, spirit pictures, tables floating in mid air, spirit raps, cabinet seances, and many demonstrations of a startling nature, all reproduced upon a bare stage without any contrivances or traps save those they use themselves, and as he does the tricks, he will explain how anyone else can do them, so that anyone could go to a so-called "Spirit Seance" and expose the whole proceeding. Prices 35 and 25 cents. Children 15 cents.*
