COMMERCIAL CLUB HAS LIVE MEETING

Activity in Commercial Club affairs took place Monday when new officers of the club were elected and a big and lively meeting was held. The new officers of the club are: President, E. C. Smith; Vice President, Chas. N. Clarke; Treasurer, E. O. Blanchard; Secretary, J. C. Skinner.

At the meeting the retiring officers and directors of the club, who have directed its affairs through its greatest publicity campaign and to its greatest growth and efficiency, were commended, and the new administration promised the support of the membership of the club.

One of the first matters taken up by the meeting was hearing the report of a committee with C. A. Bell as chairman, appointed to secure quarters for the boys. The report recommended the purchase of the gymnasium outfit owned by the athletic club and establishing the younger element in proper quarters, but provided that it be a separate organization. The report was accepted and the committee continued with instructions to take up the feature of establishing a Y. M. C. A. here. The latter action was brought about by an interesting talk made by Ivan N. Rhodes, representative of the association for Washington, Oregon and Idaho, who was invited to address the club.

A communication from Pine Grove grange for a joint good roads meeting, was read and accepted for Friday, January 13th.

In behalf of the billiard players Dr. J. F. Watt advocated having the billiard room enlarged and made a motion to have twenty feet of the assembly room devoted to this purpose. After considerable debate the motion was carried and a further motion that it be done as soon as possible was also passed. The chair appointed a committee to act with the directors consisting of Dr. J. F. Watt, W. L. Clarke and Dr. F. C. Brostons.

J. E. Montgomery addressed the club to secure its approval to invitation that he and C. A. Moseley had extended to Elbert Hubbard, the well known literature and lecturer, to deliver a lecture at Hood River. The lecture will be given in the club rooms February 20th. After hearing of the benefits such a visit from Mr. Hubbard would mean to the community, the club voted to endorse the action taken by Mr. Montgomery and Mr. Moseley.

The meeting was then addressed by Judge W. L. Bradshaw and District Attorney Fred W. Wilson, who had been invited to the meeting by Deputy District Attorney E. H. Hartwig. Both these gentlemen paid high tributes to the club as an organization, the citizenship of the community and its resources. The meeting then insisted on hearing from the new president, E. C. Smith, who modestly but earnestly thanked the club for the honor of being its president and promised to give it the best administration in his power. E. H. Hartwig, as the incoming mayor, was next called on and said that he was not yet mayor and would outline his views in his message to the council. He asked, however, for the support of the people in his new office and in securing greater development for the city which he said was behind the country in progressiveness. At the request of the chair E. L. Smith and Chas. Hall, the retiring president, also spoke briefly. The latter said he had nothing to say except to wish for further prosperity for the organization. It was suggested that the meeting be concluded by having Frank Gram sing the song that he had given at the last banquet but Mr. Gram declined and the gathering adjourned.

PLAYERS TO CONTEST FOR POOL CHAMPIONSHIP

An event that is interesting pool players is the announcement of a match to take place at the Monroe Theatre between Peter Shively, of Hood River, and W. H. Reynolds, champion of Oregon. The match will take place this evening at 8 o'clock, and the sporting element is looking forward to a lively contest. Shively was at one time the champion of the Pacific coast and still plays an exceedingly careful and close game. He has a good many followers here, who think he will win. Frank Dayton, the amateur billiard expert, will referee the game, which will be 200 points.

Unitarians to Hear Laymen

At the Unitarian church next Sunday, both morning and evening services will be Rally Services.

Two speakers will address the morning congregation on the general theme, "Our Purposes For the Coming Year." Mr. MacDonald will consider our church work from the minister's standpoint, while M. M. Morrison will speak from the layman's viewpoint. The 5 o'clock service will be a Young People's Rally, at which Mr. MacDonald will speak on Browning's "Pippa Passes." All are invited to these services.

PORTLAND DANCING MASTER WILL OPEN CLASSES HERE

Prof. W. B. Wheelan, master of dancing, is coming to Hood River to take charge of a dancing school at Heilbronner's new hall. Professor Wheelan has been in Portland for the past three months, where he has charge of a school at 208, 3rd street. He came to Portland from San Francisco, where for two years he was engaged as principal instructor for all the leading dancing clubs of that city. Besides being a ballroom dancing instructor Prof. Wheelan teaches stage dancing in all its branches, having had ten years' stage experience himself as a classic dancer. Prof. Wheelan is also a stage-director of no mean ability, having drilled the choruses in singing, dancing, etc., in many of the leading musical comedy plays now before the public. He served in that capacity while in San Francisco for six months at the Princess theatre.

Prof. Wheelan studied and taught dancing in the east and is considered one of the most capable teachers of dancing on the Pacific coast.

Waucoma Lodge K. of P. Pays Fraternal Visit

Twenty members of Waucoma Lodge, Knights of Pythias, went to Cascade Locks Thursday evening to assist in degree work put on by the lodge of the latter place under the direction of D. C. Yoran, of Eugene, grand chancellor of the state organization.

The Hood River delegation left here about 6 o'clock on the Steamer Tahoma in charge of Capt. Nelson. At Stevenson they were joined by a number of members of the Stevenson lodge. The secret work was concluded at 12:30, when a banquet was served and guests and hosts spent two hours feasting and listening to speechmaking. Arthur Clarke was toastmaster, and the fun was fast and furious until the visitors left at 2 o'clock. They arrived at Hood River at 4:30 a. m.

Of Interest to Fruit Growers

After careful test and analysis of the Department of Agriculture Bureau of Chemistry, Washington, D. C., and approval by County Pathologist, Prof. J. C. O'Gara, the Rogue River Fruit and Produce Association have placed their contract with the Grassell Chemical Company, Cleveland, Ohio, for their entire requirements of Arsenate of Lead for the coming season. This was done only after careful test and comparison had been made of all makes of Arsenate of Lead manufactured in the United States.

The winners of the grand sweepstakes prize at Spokane National Apple Shows were as follows:
1908—M. Horan, Wenatchee, Wash.
1909—Tronson & Guthrie, Eagle Point, Ore.
1910—C. H. Sproat, Hood River, Ore.

All sprayed with Grassell Lead.

The Hood River Apple Growers' Union have used this brand of lead exclusively for the past two seasons, and have renewed their contract for the coming season.

UNIQUE CHURCH PARTY PLEASURES BIG AUDIENCE

(Continued from Page 1)

Witt away on his shoulder amid a great deal of hilarity. Judge Derby refused to be given away and during the excitement mysteriously disappeared until refreshments were being served.

Just before the close of the performance six little girls dressed as brigands sang a song, informing the audience that they were going to hold them up and went through selling tags for which they asked ten cents, and which were bought liberally. The brigands were De Forest Gould, Wilma Thompson, Ella Oxborrow, Florence Gould, Esther Husbands and Myrtle Husbands.

A large cake presided over by Mrs. Simpson, and containing a gold ring, was cut into small pieces with the announcement that the one who was fortunate enough to get the ring would be allowed to wear it for a year. The ring was won by Mrs. F. S. Smith.

Bishop Robt. Paddock, who was among those in attendance, made a short talk thanking the performers and others who had made the affair a success. Rev. B. A. Warren of the Episcopal church at The Dalles was also an interested spectator.

The entertainment was planned and given under the direction of Mrs. Simpson, who was warmly congratulated for its unqualified success.

The high wind Saturday night blew down the east fence of the baseball park.

It pays to advertise.
