

Exceedingly Choice Merchandise On the Way

REPORTS are reaching us to the effect that some wonderful Bargains and some Extremely Choice Merchandise in *Staples and Novelties* are on the way to us by freight and express. We expect all to be in stock and ready for sale early in March.

Our strongest effort this season has been made on Ladies' and Men's Clothing, popular priced garments, and to say we are immensely pleased with the results of our efforts, is putting it mildly, indeed.

Let us show you these garments upon their arrival, and see if you don't enthuse as wildly as we do.

FOOD FOR THOUGHT

OREGON with her vast area of 96,000 square miles has less than three quarters of a million people. Oregon has more natural resources than any other state in the Union.

Railroad interests are spending more money in extensions and development in Oregon than in any other state in the Union.

Oregon has gained fame from her apples and Hood River is the cause. Hood River is better known and is the objective point of more people than any other section in Oregon.

Notwithstanding all this, good apple lands are cheaper in Hood River, everything considered, than any reputed apple district in the country. Result: The people are coming in great numbers. They will buy and prices will soar skyward.
