**DEBATERS SECURE  
DOUBLE VICTORY**

The double victory scored by the Hood River high school debaters over the representatives of The Dalles high school Tuesday night leaves the local school unvanquished during the season and preparations have already been begun for debates with Newberg high school to decide the championship of the district. The question debated with The Dalles was "Resolved, That the Chinese exclusion act should be ex-

tended to cover all Asiatic peoples." The Hood River affirmative team, which was victorious, was Viola Nickelsen, Forrest Moe and Fred Bell and their opponents were Minnie Patterson, Alta Hockersmith and Klindt Nelson. Earle Spaulding, Lynn Young and Lester Murphy successfully upheld the negative of the question for Hood River at The Dalles against Raymond Ostrander, Marjorie Speed and Minnie Kaufman. The decisions given to the Hood River teams on both sides of the question was a decisive one of 2 to 1 and must be considered as a big feather in the cap of the young local

debaters. The judges of the contest here were Dr. Ferrin, principal of Pacific University at Forest Grove, Rev. Dr. Gornley, of the Central Christian church of Portland, and Prof. R. H. Kalb, principal of the high school at White Salmon. At The Dalles the judges were Rev. McPherson of Portland, Rev. Patch of Montavilla and Attorney Wheelton of Moro. The debates were largely attended at both places.

**COUNTRY WORKS IN  
HARMONY WITH CITY**

A prominent feature of the report of the promotion committee of the Portland Commercial Club that has just been made to the business men who sustain the work deals with the splendid spirit shown by the whole state in cooperating with this city. Tributes to the state press were paid for it was realized that without its help little could be accomplished in the big development underway throughout the Pacific northwest. It was conceded that the editors are the best boosters there are. Heads of Portland papers attended the biennial dinner of the club and helped with suggestions for furthering the work. They are among the most active ones in the city in the cause, and the same is true of the editors throughout Oregon; their work is incessant and is very effective. The report of Manager C. C. Chapman of the promotion committee of the club gives due credit for this valuable work. The cooperation of the various commercial bodies of the state through the Oregon Development League was mentioned with appreciation, as was the assistance of other coast cities along movements of mutual welfare.

**ELECTRICAL COOKING  
APPARATUS INSTALLED**

Since the accident to the gasoline range in the restaurant of Parker Bros. a complete electrical cooking equipment has been placed in this popular eating place and patrons are now served with "ham and" and other quickly cooked dishes in safety in the twinkling of an eye. The equipment includes a toaster, frying pan and coffee urn and the "eats" and drinks are put before guests done to a turn by a simple turn of the wrist. The apparatus was placed in the restaurant by the Light & Power Company which has installed a number of electrical cooking outfits in the city and which is making a specialty of a number of electrical cooking and heating devices.

The sermon at the First Christian church next Sunday morning will be addressed to the converts in the recent revival. Subject, "How to Hold Out Faithful." An evangelistic service will be held at night. Subject, "What Saves." Special solo by Miss Tidd.

SOME young chaps claim it's easy to find smart clothes. Other chaps claim it's very difficult. It's not so hard.

If you were in the clothing business, you'd know it's not so hard nor yet so easy.

It's simple enough for us to find good, ordinary styles--styles that cannot be criticised.

But, it is often hard to locate styles which have the keenness, the excellence of fabric and the exceptional tailoring that the most particular chaps want in their clothes.

We had a hard time finding them, but we've made it easy for you to find them.

You'll like them.

No, they're not high priced. Just high enough to insure perfect satisfaction--\$15.00, \$17.50 and \$20.00.
