

We are back on the job after a most successful buying trip and are as busy as "The Irishman's Flea," opening the beautiful New Scotch Ginghams and other Spring fabrics which we know you were in a hurry for. Unusual promptness on the part of the Railroads have made it possible to deliver these goods several days earlier than expected. Every day will witness new arrivals. We will appreciate your opinion of our selections.

"Wear-Ever" utensils cannot rust, cannot form poisonous compounds with fruit acids or foods. They are made from thick, hard sheet aluminum, 99% pure, without seams, joints or solder.
