UNIVERSITY MEN INVITED TO DALLES

A communication received by Dr. J. F. Watt, president of the Hood River University Club, is as follows: March 27, 1911.

Dr. J. F. Watt, President Hood River University Club, Hood River, Oregon.—My Dear Sir:—It gives me pleasure to announce that arrangements are being perfected for the organization of a University Club at The Dalles, and with that end in view it is the purpose of the University folk of this town to meet together at a banquet and smoker on Friday evening of this week, March 31, 1911, at 9 o'clock, at the Hotel Dalles.

While the prospects here are very encouraging, you can aid us materially in inaugurating the club, and therefore you are most cordially invited to be present with us on the evening in question. Kindly pass the word among your members relative to this matter, urging as many as can make the trip to come and give us their encouragement, advising me in advance of their plans.

Very truly yours,
ANDREW J. BROWNING,
Temporary President.

The attention of the members of the Hood River University Club is called to the above letter of Dr. Andrew J. Browning. I hope many of the club members will accept this cordial invitation of our neighbors. Those who expect to go will please notify the secretary, Truman Butler, as soon as possible, that the management of the banquet may be advised of the number coming.

CHRISTIAN CHURCH BOYS GIVEN BANQUET FRIDAY

Twenty of the junior and intermediate boys of the Christian Sunday school sat down to a sumptuous banquet provided by the ladies of the church last Friday evening. After dinner a number of speeches were made by the boys. Ralph Ganger was toastmaster. Oak Rogers gave some good advice on chicken raising. Cecil League spoke of the possibilities of a base ball team. George Lane gave an interesting and instructive talk on the aeroplane, exhibiting a model made by himself. That the evening was a great success is the verdict of all the boys, who appreciate the thoughtfulness of the superintendent, A. B. Cash, who planned the affair.

The Oak moving picture show which has been conducted by C. D. Nickelsen for two years, has been purchased by C. G. Ballard, an experienced moving picture man, who will operate it in future.

Mr. Ballard has been operating a show at Dufur for some time and states that he will give the people the best show for ten cents that it is possible to give.

It will be his policy, he says, to find out what the patrons want and to furnish them the latest films. Mrs. Ballard, who is a singer with a pleasing voice, will sing the illustrated songs.

The railroad company is also getting bids for the removal of part of the old depot down to the freight house as an addition.
