MADE IN SCOTLAND

is well known to women in every part of the globe because for generations it has been the **WORLD'S STANDARD** wash fabric sold by high class dry-goods stores everywhere.

We have just received direct from the looms at Glasgow, Scotland, a fascinating assortment of these goods and are showing them

at **25c to 35c a yard**

We will be pleased to give to any lady asking for it at our Wash Goods Counter a copy of the famous **WILLIAM ANDERSON** book of latest Wash-frock fashions for 1911.

Now Helen Pink, the papers say,
Is Washington's new hue;
Well, if the shade has come to stay,
That must make **ALICE BLUE!**
While some look well in blue we think
Most of us look like **HELEN PINK!**
