

"Why don't we have some **Good Coffee?**"

Order some BARRINGTON HALL or CHASE & SANBORN'S coffee and we will have something good. The man is right and it makes him cross all day if he doesn't have a good cup of coffee in the morning.

We are safe agents for these two famous coffees

THIS IS NEMO WEEK

INTRODUCING THE NEW NEMO LASTIKOPS CORSET SYSTEM BE HERE!

WE ARE HOOD RIVER AGENTS

ALL over the country Nemo Corsets are being featured this week. As the Hood River agents, we want to bring to the notice of Hood River women the latest invention in these famous Nemo Corset specialties.

The Celebrated Lastikops Self-Reducing System Places Nemo Corsets in a Class by Themselves.

You must see the new Nemo Self-Reducing Corsets with elastic hip-confining bands, which reduce hips and back as well as abdomen—\$3.50.

Also, the very new Nemos with Lastikops-Linshaping Extensions, which reduce the upper limbs so that your thinnest gown will fit without a ridge or a wrinkle—\$4.00.

And then there are the beautiful, new models for slender figures, which have already created a great furore by reason of their slim shapeliness and wonderful comfort—\$3.50.

MODERN WOODMEN OPEN CONVENTION

The annual state convention of the Modern Woodmen of America, which opened here last night, is being attended by hundreds of delegates from all parts of Oregon, and trains are still bringing them in. The state organization, which is meeting under the auspices of the local lodge this year, has 20,000 members in the state and is one of the strongest of the insurance orders on the Pacific coast. State officers will be elected today and also delegates to the national convention, which will meet this year at Buffalo.

The most important matter that usually engages the attention of the convention, will not, it is stated, be brought up this year—that of insurance legislation, the present laws governing this feature being considered satisfactory.

Deputy State Consul J. W. Simmons is presiding at the business sessions of the convention.

The large body of delegates which arrived last night were met at the trains by reception committees and escorted to the hotels.

From 7 to 8 they were serenaded by the band, and at 8:30 given an address of welcome at Heilbronner hall by Mayor Hartwig, which was responded to by Gov. West. Following this was a musical and literary program, and later a banquet at Odd Fellows' hall, where sessions of the convention will be held.

At 8 o'clock this morning the visitors will be taken for an automobile ride around the valley, assembling at the hall at 10 o'clock for the opening business session.

This afternoon at 2:30 a ball game between the visiting Woodmen of Portland and The Dalles is scheduled and at 5 o'clock a prize drill contest between teams from White Salmon, The Dalles and Portland. This will be preceded by a big parade, headed by the Hood River band.

Tonight a class of forty will be initiated into the ranks of the local order, giving it a membership of 275 and making it one of the strongest in the state.

Alliance Day

There will be an All Day meeting at the Alliance Chapel next Sunday, May 7th, which will be of special interest to those that love to hear the plain gospel truth.

The subject of the morning sermon will be "Our Trust", and we earnestly desire to see every member and friend of the Alliance present. The subject of the afternoon sermon will be "Why is the Christian and Missionary Alliance in Hood River?" The subject of the evening sermon will be "Our Message to the World".

We cordially invite you to come and hear about our mission in Hood River and the world.

Services at 11:00 a. m., 2:30 and 8:30 p. m.

C. E. PERRY, Pastor.

Shingling Bee Success

The shingling bee for the Oak Grove Church last Sunday was a decided success. Nearly half of the sheathing was put on and the entire roof shingled. The most enjoyable part of it all, however, was the bountiful dinner and supper provided by the ladies.

The ladies of St. Mark's Guild will meet with Mrs. L. C. Clarke Friday afternoon of this week.

VALLEY CREST

Fred McCrea has moved to the Upper Valley.

Several of the Valley Crest people are sick with the measles.

Mr. Green, of Parkdale, is helping Mr. McIntosh with his spring work. Mr. Curdy, of Hood River, visited the Upper Valley Sunday and Monday.

Miss Stewart will close her school with a May day picnic down on the river.

P. J. Mohr has been clearing for Messrs. Dresser and O'Reilly the past week.

Mr. and Mrs. W. B. Allen and son have moved up on the D. R. Shearer place.

Miss Susie Vaughan, of Hood River, visited Miss Grace Stewart this week.

Thursday, the 27th, Mr. and Mrs. Winter moved to their ranch in the Upper Valley.

G. Monroe is setting out trees on his home place. He has been working for Mr. Antone most of the winter.

The friends of Mrs. M. Allen, of Hood River, will regret to hear of her sudden illness, caused by paralysis.

Mrs. Babson had a lady friend arrive from New York last Monday, the 24th of April, and she is to make an extended visit.

Several of the Valley Crest young people attended the reception at Mrs. G. W. Allen's last Saturday evening, near Parkdale.

Mrs. A. Hutson and daughter, Ruth, who have been in Hood River for some time, have returned home. Miss Ruth is slowly recovering from trouble with her ear.

Dr. Frederick A. Kraft, the socialist health commissioner at Milwaukee, Wis., believes that he has discovered that the use of onions and olive oil as a diet is a preventative of scarlet fever and diphtheria.

Mrs. Rawson and Mrs. Davies recently received word that their brother, W. J. Roberts, in Medford, Oregon, has been tendered the position of state highway commissioner by Governor M. E. Hay, of Washington, and has accepted.

Mr. Roberts leaves in the immediate future to assume his duties. The position is one of far-reaching responsibility, and carries a salary of \$5,000 a year. Mr. Roberts, however, is well fitted for the place and will, without doubt, "make good." Mr. Roberts' many friends in Hood River, as well as Medford, will rejoice at this recognition of his qualifications.

PARKDALE

Avon Sutton is working in the saw mill near Parkdale.

Mr. Lipman was a passenger on the train for Hood River Sunday, April 23rd.

Monday, April 20th, F. Reice's team hauled the first load of lumber for the new church, under the direction of L. Baldwin.

On the evening of April 22, Mrs. Geo. W. Allen gave a reception in her home, where a large number of invited guests assembled.

J. Goldsberry recently sold a large number of sacks of potatoes to Mr. Lipman, of Portland. Mr. Reice hauled them to the car Saturday.

Congregational Church Notes

Next Sunday morning the pastor's sermon will be on "The Hazards of Christian Service". After the sermon a final vote will be taken upon the location of the new church building—whether the option on the Brosius property be taken up or the building be erected on the present site and built a new parsonage. A large attendance is desired.

The pastor will read a sermon story of his own composition next Sunday evening entitled "The Quest of Hiroshi". It will deal with a young Japanese who comes to this country to find the much-heard-of Beautiful-Life. He lands in Hood River and will finally find it. But where?

Rev. E. A. Harris had the honor to be the nominee of the Portland Association of Congregational Churches for Corporate Member of their Foreign Missionary Society with Hon. W. H. Lewis, now of Portland, for the state of Oregon.

All kinds of insurance in old companies. G. V. Edwards & Co., Agents.

WARNS AGAINST CHEAP PAVING

Editor of the Statesman objects to being "stuck" for double header assessments

The Salem Statesman of April 19th, editorially comments on Paving, as follows:—

"The writer heretofore is to be 'stuck' for some paving on Twelfth Street, between Bellevue and Mission, if the project of some of the property holders in that district shall be adopted by the Salem City Council. And this writer does not like the idea. He believes it will mean a double assessment, within a few years—that the cement paving not being impervious to water (no cement paving anywhere is), it will within a few years, break up under constant travel in the wet season. That when the Breaking up commences, it will go quickly. The writer has been 'stuck' before with a double assessment—macadam a few years ago, and now hard surface paving. A hard surface pavement should have been selected in the first place, and is cheaper in the long run. It is better all the time. The cement roadway to the Post Office, laid by the government, with very little gravel, has begun breaking up. The writer believes there will be a whole lot of people in Salem a few years hence who will regret their recent and present activity toward securing this 'cheap' cement paving."

Soft Drinks for Family Use

Hood River Sweet Cider, Hires' Root Beer, and Soda Waters of all flavors can be obtained for family use at all the confectionery and grocery stores at \$1.00 per dozen, with an allowance of 50c per dozen for the return of the bottles to the party from whom purchased. Keep a few bottles in a cool place during the warm weather.

HOOD RIVER APPLE VINEGAR CO.

Seattle To Build Destroyers
Uncle Sam's new submarine destroyers will be built on Puget Sound, the contract having been awarded to the Moran Company, which built the battleship Nebraska some years ago. San Francisco shipyards tried hard to get the job. It will cost a million dollars to turn out the destroyers, one year's time being allowed for the work. Before anyone is employed on them, he must submit to an oath that he will not reveal any of the details.

TO-DAY

To-day and every day, let us fill your PRESCRIPTIONS. With the correct DRUGS of greatest power, a moderate equipment, and long training we surely can and do give the best results in Prescription Compounding always.
