This is a slaughter on buggies and spring wagons which means a big saving to you. It helps us move our stock before taking inventory. You can save over a years interest on your investment by taking advantage of our offer. Don't miss your chance.

Automobile Oil and Grease

We know we can please you with our lubricants. We sell the famous Zerolene or Valvoline for the engine, Magnet Motor Grease for your compression cups and Havoline light transmission oil for the transmission and differential.

You can't afford to use an unknown oil simply because you can get it cheap.
