HOOD RIVER ANNEXES PORTION OF HEIGHTS

The city election held a week ago today for the purpose of voting on the annexation of a large portion of the heights territory to the city of Hood River, carried by a large majority. One hundred and fifty nine voted for annexation and only six against. The new territory includes the present baseball park and several stores that were built just outside the city limits.

Van Horn Butte Transformed

The Van Horn Butte, lying four miles south of the city of Hood River is being converted into an orchard and flower garden. Willis Van Horn, owner of this tract, has cleared the entire butte and planted the sides to orchard, and surrounding his mansion on the summit, he has carefully parked the ground, and the entire summit is one solid flower garden with large oak and fir trees growing at intervals. The butte lies about 1000 feet above sea level and contains approximately 50 acres. A winding road leads from the base of the butte to the home. The entire tract is covered with water led to the place by 4000 feet of pipe and distributed through the tract with a piping system so that by turning one valve hundreds of sprayers are set in motion. The butte will be a most beautiful scene when the apple trees are in full bloom.

Sheep Shipment Heavy

One of the largest shipments of sheep made this season by one individual was a consignment of the O. W. R. & N. of 50 carloads at Heppner Sunday, May 21. Thirty carloads were shipped Friday from Condon.

Notice

The regular quarterly dinner will be given the members of the G. A. R. next Monday, June 5, at K. of P. Hall. All members of W. R. C. are expected to bring well filled baskets. By order of Committee.

Attention

Modern Woodmen! You are cordially invited to attend the Memorial services at the Baptist Church, Sunday, June 4th, at 11 a. m. Bring flowers. C. E. Dukes, Clerk.

A special to the Portland Journal states that Hood River politicians have been on the anxious seat for several months, awaiting the action of Congressman Lafferty relative to the appointment of the Hood River postmaster. It is a puzzle to know what has happened. J. R. Luens, who has forwarded a large petition for appointment, is an adherent of the assembly camp, which it is thought has had a little to do with the situation. Henry Howe, the other aspirant, is an insurgent, says the special.

Mrs. Filbaugh, from Washington, will speak to the W. C. T. U., Thursday, June 8th, on the subject, "How They Cleaned Up Seattle."
