### Look for the Yellow Box

### When Buying Your Sox

Holeproof Hosiery comes only in yellow boxes. Imitations of the guarantee are numerous, but insist on getting the genuine "Holeproof"—look for the yellow box.

There is real worth in "Holeproof." The makers pay 63 cents a pound for the finest Egyptian and Sea Island Cotton, but they could get ordinary cotton at 12 cents a pound.

The body is 3-ply and the heels, toes and knees are 6-ply in "Holeproof." Common hosiery is only 2-ply throughout. Both sell for the same price, but the common hose wear only one-sixth as long as "Holeproof."

This hosiery is as soft and smooth as silk, yet we guarantee to replace any pair that needs darning within six months. Men's hose come in eleven colors and women's in six—the price is \$1.50 to \$3 a box of six pairs. Children's hose, in black and tan only, at \$2 a box. Come in and see this hosiery for yourself—learn what it is like today.
