

DON'T GET AN IDEA

That all our cars are high priced. We have a variety of cars, ranging in price from \$1000 F. O. B. Hood River, with full equipment, up to \$5,000. We are glad to demonstrate at any time. Simply call us up-- we'll do the rest.

YOU CAN DO AS WELL

By buying of us as you can of any Portland house. We allow a discount of 2% for cash on any of our goods, except buggies and spring wagons, on which we allow a discount of 5%. Besides this, in buying of us, you get our personal guarantee on goods.

BY BUYING IN PORTLAND

You have freight to pay to Hood River. We pay these freight charges for you, and quote you same price as you would get in Portland. When you are in need of repairs, we have them in stock for most of the goods we sell.
