ASKS COOPERATION
OF FRUITGROWERS

BY W. H. LAWRENCE

Considerable injury to apple
blossoms occurred in a few small
areas last spring. It is evident
that in these cold spots orchard
heating would give more desir-
able results. In order to deter-
mine where orchard heating may
be necessary I am asking more
than 100 orchardists at well lo-
cated positions in the valley to
purchase minimum - maximum
thermometers and record the
lowest and highest temperatures
during April and May. Since
the ordinary thermometers are
seldom accurate I have decided
to ask the cooperators to pur-
chase the thermometers through
my office in order that the instru-
ments will all be tested and of
high grade so that all will record
the temperatures accurately. Prices
of thermometers have been re-
ceived from firms manufacturing
astronomical instruments used
by the Weather Bureau and
other departments of the govern-
ment service. For this experi-
mental work good discounts have
been made. Each cooperator
will share in these discounts. I
am anxious that all orchardists
who desire to secure one of these
thermometers will do so.

The temperature records se-
cured will not only be of great
value to me in my work, but to
the observer, since he will know
the exact conditions in his own
orchard. Orders will be listed
for these thermometers, which
will not cost to exceed \$3.25, un-
til Feb. 15. The order may be
made by mail or phone (242-M).

The quantity of moisture mixed
with the air has a very great in-
fluence on the injurious effect of
low temperatures. When the air
is dry and low temperatures oc-
cur far less injury is done than
at such times as the proportion
of moisture in the air is high.
The extent of injury by low tem-
perature at various degrees of
saturation also depends largely
on the condition of the plant.
By the use of a sling psychrom-
eter the degree of saturation
may be measured. By the use
of psychrometric tables the dew
point is determined. Generally
the dew point temperature in
the evening indicates quite closely
the minimum temperature of
the following morning. It is de-
sirable to have the dew point
temperatures determined at min-
imum places in the valley since
the records will be of as great or
even greater value than the min-
imum and maximum tempera-
tures.

It is hoped that 20 to 30 or-
chardists will purchase these
sling psychrometers. These in-
struments may be had for \$5 to
\$5.50 each. Orders for these
instruments will also be taken.

My purpose in asking the or-
chardists to secure these ther-
mometers is to determine:

1. The areas in which frosts
do not occur.
2. The location and extent of
areas in which frost injury does
occur.
3. The duration of frosty
period.
4. Trend of cold air currents.
5. The degree of saturation
of the air, range of temperatures
and frost injury during each day
of early spring.

Boy Has Narrow Escape

An accident, serious in its
way but which might have proved
much more serious, occurred
Thursday at noon. Several of
the school boys were over at the
store on horse back. Starting
back for school at rather a rapid
gait, Howard Cooper's horse
stepped into a hole and turned a
somersault and broke its neck,
throwing Howard some distance.
It is a wonder to all who wit-
nessed the accident that Howard
was not killed too. He escaped
with only slight bruises.

On Feb. 2 Mr. and Mrs. Lee
Boles became the proud possess-
ors of a fine baby boy.

MANAGER A. S. HALL
MAKES STATEMENT

In giving his version of the
electric light rate war that has
been conducted at Hood River
during the past week Albert S.
Hall, general manager of the
Hood River Gas & Electric Com-
pany, states that he is thoroughly
satisfied with the share of busi-
ness that the company has re-
tained.

"Thus far," says Mr. Hall,
"we have signed up one-half of
all the consumers in the city on
our flat rate and have of course
retained all of our business in
the country. We find that the
flat rate which we have adopted
is meeting with much greater
approval than the meter rate of
our predecessors.

"Complaints have been made
at the office of the Hood River
Gas & Electric Company of the
extra large size of the light bills
for the month ending Jan. 15th,
1912. I wish to say that any
such bills represent actual meter
readings, but the meters were
not read until four days later
than usual and therefore repre-
sent 34 days service instead of
the usual 30. They also include
the period during the Christmas
holidays when much more light
is always used. I am satisfied
if light users will look at the sit-
uation in a reasonable light they
will understand why their bills
were larger during the period
mentioned than under ordinary
conditions. I wish to say that
we would be glad to have anyone
who desires an explanation in re-
gard to any such bills to call at
our office.

"I would like to ask the Hood
River people," says Mr. Hall,
"if they have any reason to
complain of the treatment they
have received at the hands of the
solicitors and other members
of the company who have been
employed during the past ten
days in conducting a rate cam-
paign here. I believe they will
say in every case that they have
received the most courteous and
fairest of treatment. All the
Hood River Gas & Electric Com-
pany asks is fair treatment on a
competitive basis. We are here
to give the best service for the
least money and ask the support
of the community solely on this
basis and none other."

CENTRAL VALE

W. A. Durham and family
have returned home from a visit
in Portland.

N. Warner has returned from
New York where he had been on
a business trip.

Mary Sheppard attended the
show given for Miss Mattie
Bradley last Saturday.

The card club was entertained
by Mr. and Mrs. Cruse Saturday
night.

G. F. Ogden has returned from
Corvallis where he attended the
short course.

A few of the young people at-
tended the Ferguson Bible class
social Friday evening.

Mrs. F. X. Arnes gave a dance
Saturday night to twenty-five
couples of Central Vale and Mid-
dle Valley guests. All voted it
a very delightful occasion.

Don't forget the pie social and
entertainment. The plans for a
good time are still going on and
everyone who comes will have a
good time if he makes himself
agreeable. Once more, ladies,
don't forget to bring your pies
and gentlemen friends. The
members of the dramatic club
report that they will have their
play "down pat" by that time.
Remember the date, Feb. 14th.
Also, remember there is to be no
admission.

The new encyclopaedias have
arrived. We are very glad to
have them to finish our year's
work. We have had such excel-
lent luck with our socials that
with this one already announced
and two or three more we will
have them paid for.

OFFICE HOLDERS
WILL RUN AGAIN

Although the primaries are
near, no aspirants to the county
offices which expire this year
have as yet announced them-
selves. This is no doubt due to
the fact that the present incum-
bents have announced that they
will again be candidates. These
include W. E. Hanson, the county
clerk, Tom Johnson, sheriff and
J. M. Schmeltzer, treasurer.
Murray Kay, county surveyor, is
not yet prepared to announce his
intentions in this matter. One
of the county commissioners goes
out and the district attorney has
given it as his opinion that Mr.
Rhoades' term will end this year
for the reason that he received
fewer votes than Mr. McCurdy.

Carlton L. Pepper, The Dalles
attorney, has announced his can-
didacy for the district attorney-
ship. He says that if nominated
and elected he will do his best to
enforce the law and look after
the interests of the people. He
also promises that the class of
people controlling and commer-
cializing vice shall have no in-
fluence over him in the performance
of his duties.

J. L. Carter of this county is
being favorably mentioned as a
candidate for state senator. He
was in the legislature two years
ago.

L. A. Henderson has just an-
nounced his candidacy for county
surveyor.

PINE GROVE

Mr. and Mrs. Starrett were
Portland visitors last week.

Mr. and Mrs. Joe Vannier are
in Portland visiting relatives.

Miss Clara Absher spent the
week end with her home folks at
Fir.

Preaching services next Sun-
day morning; at Odell in the
evening. Sunday school as usual.

Miss Anna Godbersen spent
Saturday and Sunday visiting a
sister in The Dalles.

Mrs. Herman entertained a
number of friends last Friday,
whist being the game of the
evening.

Mrs. Davis returned from New-
berg Saturday. She left Grand-
pa Davis well on the road to re-
covery.

The Ladies' Aid will give a
valentine social at the church on
Feb. 14th. Everybody invited to
come.

Mr. and Mrs. Willis Van Horn
left Saturday for Portland. From
there they will go to Denver on
a business trip.

Mrs. McDonnell gave a very
enjoyable evening to the mem-
bers of her Sunday school class
last Wednesday at her home.

There will be a called meeting
of the Ladies' Aid at the parson-
age Friday afternoon of this
week.

All members of Mrs. McDon-
nell's Sunday school class are
urgently requested to be at the
church at 7:30 this (Wednesday)
evening.

Mrs. Riddell went to Hood
River Sunday intending to visit
for some time with her daughter,
Mrs. C. H. Jenkins, who has
just returned from spending the
winter in Philadelphia.

A number of friends gathered
at the Howland home Monday
evening to help start Mrs. How-
land on her 83rd year. One
feature of the evening was the
large birthday cake with its 83
burning candles. A merry even-
ing was spent, all drinking to
the health of Mrs. Howland and
hoping that she would enjoy 83
more years.

The grange dinner and social
afternoon were a decided success.
The dinner was one that only the
best cooks of Pine Grove can get
up; starting with groaning tables
and ending with groaning par-
takers. The object of the day
was revival of neighborhood so-
ciability. All went home feeling
that the greatest wish in that
line was answered.

Masquerade Dance

A masquerade dance will be given
at Pine Grove hall Friday evening,
February 9. Everybody welcome to
bring their masks and have a good
time. All who dance must mask un-
til 11 o'clock. Gentlemen will be
charged 25 cents admission. Dance
tickets \$1.25.* 5-2t

How to cure a cold is a question to
which many are interested just now.
Chamberlain's Cough Remedy has
won its great reputation and im-
mense sale by its remarkable cure of
colds. It can always be depended
upon. For sale by all dealers.*
