SPRAY DUMPED IN CREEK IS DEADLY TO THE FISH

Because the Rogue River Fruit & Produce Association at Medford in washing out spray barrels allowed the washings to be carried away in the sewer, a large number of fish in Bear Creek have been killed and Game Warden McGowan has taken steps to check the practice. The company has been washing out the barrels before reshipping them from the warehouse a block south of Main street. The washings have been turned into a depression drained by the storm sewer. The spray has a deadly effect on fish.
